Young Boy Hears Fate Of Father

Chester, Pa., March 21.—A fifteen year old boy, pursuing his studies at the Pennsylvania Military College preparatory school, today heard with soldierly bearing that his father, a Rebel leader against the Mexican government, had been shot at sunrise.

The father was General Jesus M. Aguirre, who was executed in Vera Cruz province this morning, according to dispatches from Mexico City, and the cadet son is Leon Humerto Aguirre.

Standing at military attention in his gray uniform in the office of Colonel Frank K. Hyatt, vice-president of the college, the boy was told of the tragic end of his father, earlier in the day he had heard that his father had been captured yesterday and he feared that he would share the fate of his uncle, Simon Aguirre, who was executed last week.

Baptist Young People's Union

On last Tuesday night the Baptist Young People's Union held its regular weekly program. Everyone present enjoyed the splendid bible quiz directed by Miss Thelma Jackson. The program was rendered by Group Two, directed by Helen Baker. The topic for discussion was "Winning the Lost One by One." This topic was divided into five parts as follows: Part One—"The Plan of Our Lord," by Caroline McKain. Part Two—"A Method Any Christian May Use," by Juanita Boykin. Part Three—"A Noble Soul Winner," by George Tidwell. Part Four—"With the American Tract Society," by Annie Turner. Part Five—"Following the Shepherd's Footsteps," by Donald Barnes.

After the program several selections of special music were rendered by Anna Belle Watts, C. C. Vaughn, Donald Barnes, Thelma Jackson.

The following officers were elected to serve for the next six months: F. C. Moseley, president; Annie Turner, vice president; Thelma Jackson, bible reader's leader; C. C. Vaughn, recording secretary; Mrs. Julian Graham, corresponding secretary; L. L. McCaskill, treasurer; Anna Belle Watts, chorister; Caroline McKain, pianist; Lois Elmore, Helen Baker, Donald Barnes, Marguerite McLeod were elected as group captains.

Our program next Tuesday night will be given by Group Three directed by Donald Barnes. Every member of our Baptist Young People's Union is urged to attend those weekly meetings. Visitors always welcome.—Contributed.

Florence To Have Hotel

Florence, S. C., March 26.—The dream of Florence for a modern tourist hotel is about to be realized according to a joint announcement by the chamber of commerce and W. R. Barringer of this city. It is expected that the handsome half million dollar hotel which Mr. Barringer will build under his agreement with the chamber of commerce will be ready for occupancy late next season. "I am ready to begin building now," said Mr. Barringer, "and will break ground the moment I receive word from the people of Florence through the chamber of commerce." Plans and specifications have already been drawn.

Middle Life Troubles

"ABOUT twenty years ago, my health was very bad," says Mrs. Mat Howard, of Terrell, Texas. "I was passing through a critical time in my life, and I suffered a great deal. I was not at all strong, and my nerves got all upset. I had hot flashes, and sometimes would get suddenly so faint I could not stand up. My head would whirl, and I could not see a thing. I would have to lie down for hours at a time."

"I improved so much after I had taken Cardui for a while. I continued the medicine for some months, until I had passed the critical period. Since then, I have given Cardui to my five daughters. All of them have continued the use of Cardui in their homes. We have all been better for having taken it."

Find Deer With Necks Broken

Game Warden Wallace Plowden, Jr., reports the finding of two deer with broken necks by a woven wire fence in the Wyboo swamp section of the Santee river on last Thursday.

Mr. Plowden is of the opinion that the deer ran into the fence with tremendous force, causing their necks to be broken. Both animals were found about two rods apart.

Mr. Plowden explains that these animals are able to avoid any obstruction that nature puts up but that obstacles which man builds cannot be understood by these animals. For this reason it is believed that the deer rushed against the fence thinking that they could pass through it unhindered.

Deer are said to be very numerous in the highlands on the edges of the Santee as the high waters of the past few weeks have forced them out of the swamp. Mr. Plowden reports that he saw dozens of deer on last Thursday while visiting the Santee section. Only recently two deer were seen on the streets of Summerton, a rather unusual occurrence in that town.—Manning Times.

Sentenced To Die

Greenville, March 22.—Hobar Gregory, 31, today was sentenced to be electrocuted May 3 at the state penitentiary in Columbia following his conviction of a charge of murder of Rufus Davis, young steam fitter, who was stabbed to death with a bread knife during a fight in a local cafe.

Judge T. S. Sease passed sentence shortly after a general session court jury had returned a verdict of guilty of murder, which automatically carried the death sentence.

Gregory heard the sentence apparently unmoved and made no reply when asked if he had anything to say in his own behalf.
