FAMOUS PURE OIL PRODUCTS

PUROL-PEP

A NEW GASOLINE WITH HIGH ANTI-KNOCK QUALITIES. TRY IT!

What a wonderful value is Purol-Pep! You can get it for the same price as ordinary gasoline. Its widespread use has made possible this savings for you. Due to its tremendous popularity all over this section, it has now been introduced to local motorists. The demand for Purol-Pep has been great and we are pleased to offer it to you now. No matter what type of motor you drive—if you want MORE PEP—MORE POWER—MORE MILEAGE—than you ever dreamed possible, then Purol-Pep is the gasoline for you. You'll welcome Purol-Pep particularly in cold weather for its INSTANT STARTING qualities, which save both your time and your temper.

Purol-Pep is golden colored for identification and is dispensed from blue pumps. Try it for greater motor enjoyment. You'll like it!

TIOLENE

THE 100% SUPER-PENNSYLVANIA MOTOR OIL THAT LASTS LONGER

Tiolene is a worthy running mate to Purol-Pep and Purol-Ethyl. It is the 100 per cent super-Pennsylvania Motor Oil that costs less because it lasts longer. Tiolene is used by tens of thousands of motorists in over 30 other states. It has to be good to get where it is!

Faster driving, new high-speed motors demand an oil of long service life. Safe lubrication, longer life and better lubrication at 1000 miles than ordinary oils give you at 500—that's Tiolene. Tiolene is available in cold weather weights to assure quick starting during fall and winter. No extra strain on the battery—no needless dilution of the oil through excessive use of the choke.

Try it for your motor's sake.

PUROL-ETHYL

A PREMIUM GASOLINE FOR HIGH COMPRESSION MOTORS

Purol-Ethyl is a premium quality gasoline plus Ethyl, which gives you balanced performance plus anti-knock. A powerful combination! Purol-Ethyl is colored red for identification and is dispensed from white pumps.

Giant power . . . quick pick-up . . . instant starting . . . excellent mileage. These qualities are refined into the premium grade gasoline to which Ethyl compound is added to make Purol-Ethyl. The addition of Ethyl adds the important anti-knock quality. It turns carbon into power. It gives a smoother running motor—better hill climbing—less gear shifting. You'll get genuine motoring satisfaction from Purol-Ethyl because it combines all wanted qualities, and is especially refined to give superior performance in any type motor. Try it for all 'round better performance.

Due to their policy of better service for motorists wherever possible, the Carolina Motor Company and associated stations have provided these famous products of The Pure Oil Company because of popular demand by motorists who have tried them while traveling in other parts of the State. These products are sold not only in North and South Carolina but in over 30 other states. The policy of increasing service for their customers has been identified with the Carolina Motor Company and associated stations ever since it has been in business and is responsible for their growth and the popularity they enjoy today.
