

Doan's Pills
 For You To Feel Well
 At least every day, 1 day every week, never stopping, the kidneys filter waste matter from the blood. If more people were aware of how the kidneys must constantly remove waste matter, excess acids and other waste matter that cannot stay in the blood without injury to health, there would be a better understanding of why the kidney system is upset when kidneys fail to function properly.
 Burning, scanty or too frequent urination, sometimes with something in the urine. You may suffer nagging backaches, headaches, dizziness, rheumatic pains, getting up at night, swelling.
 Why not try Doan's Pills? You will be using a medicine recommended the century over. Doan's stimulates the function of the kidneys and help them to break up and eliminate waste from the blood. They contain nothing harmful. Get Doan's today. Use with confidence. All drug stores.

Vote For A Man With PUBLIC EXPERIENCE FOR Lieutenant Governor
 Twice within the last ten years, the Lieutenant Governor of South Carolina has succeeded to the office of Governor. In voting for a Lieutenant Governor you should ask yourself, "What sort of a Governor would he make if called upon to fill that office?"
 Friends of E. Coke Bridges believe that this successful business man and farmer, former state senator and experienced in public life, would not only make a capable presiding officer of the State Senate but that if the fates should so decree he would fill the office of Governor with ability and dignity.

 Mr. Bridges has represented his county in the State Senate, he has been mayor of his home town for many years, he is a successful business man and farmer, a loyal churchman, a veteran of World War I and in every way qualified for this office he seeks.
