

# CAMDEN CHIEFS OPEN HOME SEASON WEDNESDAY NIGHT; GEORGETOWN IS OPPONENT

The Camden Chiefs will pry open the Palmetto Base League season locally on next Wednesday evening at 7 o'clock at Legion Stadium with Georgetown, a new comer to the league, as their opponent. Interest in baseball is running high, as usual, in Camden and a record-breaking crowd is expected to witness the first game of the official league season.

There will be a short ceremony formally opening the season with Francis N. McCorkle pitching the first ball. Usher Myers, chairman of the county board of directors, will be behind the plate. While neither manager has definitely indicated his starting pitcher it is possible that Leary will take the mound for the Chiefs and Goyak may be the opening pitcher for Georgetown. The Camden Chiefs have shown well in pre-season games having met several of the Palmetto League in practice games and have more than held their own in instances.

The Chiefs won the league pennant last year and will be out this year to repeat. The team has been strengthened by the addition of Eddie Leary, one of the outstanding pitchers in the circuit last season. Tickets for the opening game will be \$1.00, but after that the fee will be 75 cents for adults and 35 cents for children. These fees were set by the directors of the league. The Chiefs are being managed this season by Manager "Bub" Goyak, a pitcher who has had wide experience having played with the International League, the American Association and Portland in the Pacific Coast League. The Camden Chiefs have some faces this year but there are some new members of last year's winning team back in the lineup. At any rate the fans are expected to see some fast baseball.

## Chiefs Win Wild Game Over Sumter

Eddie Leary gave the Sumter Fishkaters four hits in seven frames and the Chiefs had a 13 to 2 lead when he was relieved and Dave Chandler took over.

The Sumter batters took to Chandler's shoots like a baby to a pop-sicle and before "Ace" Parker, sub-catcher for the Chiefs, who was sent in had stopped the onslaught, the visitors had pushed eight runs over the pan and were trailing by but three runs.

George Turbeville, who learned his baseball through H. A. Small, of this city, poled two home runs out of the lot, one in the first inning with one man on and the other in the eighth.

Camden finally won the ball game 14 to 10. The Chiefs went scoreless for three innings when Bill Williams was hurling for the visitors. They got but one hit off Williams. When Hutchenson took over they proceeded to give him a real pasting. Four runs clattered over the plate in the fourth, five in the sixth, four again in the seventh and one in the eighth.

The line score:  
Camden..... 14 14 3  
Sumter..... 10 11 9

Batteries: Leary, Chandler, Parker and Moore; Williams, Hutchenson, Alexander and Connor.

## Children's Sport Program Launched

One of the most forward steps in Camden golfing activities has been taken by Mrs. Ray Woolfe, chairman of the womens program, and Steve Duda, club program in the inauguration of a children's sports calendar at the well known Camden Country Club. It is proposed to conduct a competitive program of some kind every Saturday morning for children up to 12 years of age. The first venture occurred last Saturday when some score or more of tiny toy golfers appeared and participated in the several events that were scheduled. In the golf tournament the competition was confined to putts and in this Johnnie Kornegay was first with 19, Bobby McCarty was second with 20 and Lee Mays was third with 22. Mimi Miller took the consolation honors with 49 putts. In the three hole flag event, Benjie Smith was winner with Peter Moller second and Graham DuBose third.

## FINAL DISCHARGE

Notice is hereby given that one from this date, on June 8, McKee G. Boykin and New Boykin, Jr. will make to the State Court of Kershaw County final return as Executors of the estate of Margaret G. Boykin, deceased, and on the same date will apply to the said Court for final discharge as said Executors.
