## The World Of Sports

The attendance Tuesday night was the largest since the opening night, and the fans saw a thrilling battle. If the crowds will keep turning out they will see some fast ball.

Chino Bernal made one of the most sensational catches that has been seen on the local diamond in the Georgetown game last Thursday night. He nabbed with one hand a drive that was very clearly intended to be a two-bagger.

Rube Wilson is now with the Charlotte Hornets. The Hornets are finding the going tough and have been desperately in need of more pitchers. It is reported that Cal Cooper may be sent from Chattanooga to help them.

It isn't often that fans see a game wind up like the one Tuesday night when Carl Tucker hit a home run over the left field fence in the ninth inning with two out to win the game.

Al Lamont is back with Orangeburg.

Tucker, the new shortstop, and Fouts, the new second baseman, both shone afield and at the bat Tuesday night.
