the similar fact by equally unble evidence that he had been opsed in the same way and upon identi-

As long as human nature exists some will think and act that all is fair re and war and polities. In the exnent of the canvass they either forresponsibility or ease their conor their adversaries in their own coin Of course they are wrong, and two wrongs do not make one right, but it is human nature to try to get the hest of every fussle and to do so men do not state to take underholt. But while condemning such tacties it is a real saure to be able to exonerate candilates Creech and Laneaster from any complicity in them. They made a fair, square, above board fight, and are not esponsible for all the resorts of their orters. And the denominations to which they belong are equally clear of participation in the practices that we dree with Capt. Creech in denouncing outlon in the practices that we The combinations made for and against each candidate in the Sheriff's race were the voluntary work of individuals and were not inspired by the candidates or to churches to which they belong.

f fraud in the primary elections in and honorable ways.

Schools beginning earlier than gregation was large, there was a loun aber lat, 1888, cannot be affected tiful supply of good things for as many your action until fall, 1880. Allorb- more. The afternoon was given to disensslors, opened by hr thren W. t. of the series with the new session, but | Britton and W. D. McMillan on at-

On Saturday morning, Bro. D & Hair made a speech on "The Model Superfutendent," that evinced careful preparation, and stimulated brethren r any other on our flat, at these prices. | Jno. G. Williams, W. D. Rice and some others to participate in the discussion. A committee, appointed on Friday, reices of any of the books should be re- ported that it was thought neither exd during the period of adoption, pedient nor practicable to co-operate with other denominations in convenwill receive the benefit of such reductions, and that Bapti-ta should do their own work through their own couvention. After a long dehate the rehat is already in majority use in your port was adopted by a small majority, A collection for Ministerful Education followed, amounting to about \$10, and was paid over to Bro. Joseph Anderson, who will return to Furman

> University in a few days. A mass meeting was held on Sunday merning, in which good speeches were made by brethren H. H. Easterling and C. G. Bradford, followed by an excellent paper prepared by Miss Hattie Manville, of Barnwell. It was read by Bre. Bradford, and will be published in the minutes. The missionary sermon was preached by the writer, and a collection of \$12 was taken for State

Three new schools were received, and now there are thirty-seven in the Convention. There are some schools in the county that have not applied for membership in the Convention, and some other places where schools should be organized. Next year the county is forget. In July last I went into that to be divided into districts by the exeentive board, and a supervivor appointed in each, to look after the interests of the schools. The hospitality of Great Saltkehatchie was almost boundless and was enjoyed by more than sixty delegates.

Bro. Jno. G. Williams is pastor of this strong church, but he preaches at eight other places. He is greatly overworked, while his churches are underworked. Allen's Chapel and Great Saltkehatchie could easily co-operate and give Bro. Williams \$800 a year and iave a pastor for his whole time. Some of the brethren are thinking about it, and it might be brought to pass this

Blackville has taken the advice of Bro. Ervin and is now trying to secure a pastor for his whole time. It is not likely that the present pastor, Bro. Ervin, can be secured, as Bamberg is unwilling to surrender her claims upon

"I mare do anothing more for me, I has already given more the best she had

always been, of the deepest interest and kindness. I number my friends there by the score, and if I have an enemy in the county I do not know it, nor do I want to know it. She feels that she has not had her share of public benors, but we need but look at her delegation to this convention to know that the old proverb applies to her case : "All things me to those who wait." There is young political timber in her fogests in ample quantity to supply the market for years to come, and the honors will fall thick and fast upon ber when the time

Hampton county is bound to my regards in a close and peculiar way. I assisted in her formation, and have been brimately associated with her people ever since, who have always treated me with the greatest hospitality and kindness; in fac', so far as I am concerned, I can truthfully say that Hampton ounty can give a man more hospitality. more kindness and fewer votes than any county in the State. Even here, while contending against me with all the might of men. I have made warm and valued friends among the delegates bent upon my defeat. But time sets all things right, and I hope yet to be honored with the confidence and endorsement of gallant Hampton county.

What shall I say of glorious little Colleton? Broxton and Warren I can never territory, acquainted with less than six men in it, and came out with the suffrages of all the people. And what shall I say of "the dauntless three" who stood by me like the three who kent the bridge of Rome against the barbarian hosts, for four days, on 240 ballots? It is true, afterwards-

"Back darted Spurius Lartius, Herminius darted back; And as they crossed, beneath their feet They heard the timbers crack.'

But I must think that-"When they turned their faces, And on the further shore Saw brave Horatius stand alone,

They would have crossed once more," I am fully recompensed for all the labor, time and sacrifices spent in the canvass, and above the office itself, if I had won it, do I value the friendship of Newton Jones.

And now, Mr. President and gentle nen of the convention, let the past take care of itself, and let us all go forward to meet the futhre with manly hearts

and welfare of our beloved State.

An Chauthorized Act. The State Board of Examiners met recently, and, in pursuance of the authority yested in them by law, prescribed several series of text books for use in the public schools of the State during

ordinary decree: the course of study prescribed for public J. P. Lee. schools that are not on the State list. shall forfeit his pay from the public school fund for the time he used them. * * * The County School Commissioner shall withhold approval of pay cent. per annum. certificates of any teacher not conforming" to the rule.

This strikes us as being the most arbitrary usurpation of power that we have ever witnessed If the Board of Examiners can point to any provision in the statutes of South Carolina which empowers them to impose these severe pen- pot at this place. alties, they can do more than any law. ver in the State can do. It might or might not be a wise thing to enact such a law; but the Legi-lature has never seen fit to do so. The Board is no doubt actuated by an honest purpose to advance the educational interests of the State. It should not however, lose sight of the fact that it is not the lawmaking power. Its denunciation is a mere brutum fulmen. It may frighten a few teacners, but it will not coerce the refractory ones .- Georgetown En-
