BARNEGAT COUNTY CIRCULATION.

THURSDAY, JUNE 14, 1900.

"A convention of citizens opposed to the State's liquor traffic and in favor of the betterment of mankind and the country at large is called to meet at Stafford's X Roads, Hampton County, on June 27th, for the purpose of organizing and making nominations."

FAIRFAX LOCALS.

The farmers in this vicinity have about finished harvesting a very fine crop.

Miss Lena Youmans returned from Converse College last Wednesday. Her many friends are glad to have her back.

Mr. C. Terry is now happy father of a baby boy and at the home of Prof. G. H. W. Smith there is a sweet little girl baby.

Mrs. Eleanor H. Barker and her daughter, Edith, left on Saturday afternoon to visit relatives in Sycamore.

Misses Eugene and Estelle Young returned from Charleston on Saturday last after a very pleasant visit of several weeks with relatives and friends.

Mr. G. Frank Thompson boarded the train here on Sunday morning on his way to St. Louis, Mo., where he expects to make his home.

We are sorry to say that Miss Pauline Barker is sick; we hope soon to see her out again.

Mr. W. J. Cordery and family of Ulmer are visiting Mr. and Mrs. J. J. Sanders.

Mrs. Reynolds, who took her baby to Plum Branch for burial on the third inst., has returned to her sister's, Mrs. G. H. W. Smith.

Editor's Awful Plight.

F. M. Higgins, Editor Seneca (Ill.) News, was afflicted for years with piles that no doctor or remedy helped until he tried Blacken's America Salve. He writes: "The cure on earth, and the best salve in the world. Cures guaranteed. Only 25 cents. Sold by N. B. Burkhalter, Barnwell; D. K. Briggs & Co., Blackville; Dr. J. M. Smith, Williston."

LONG BRANCH PHILOSOPHY.

Our farm business this year has been an up hill one. The first place we purchased seed rice of a well known firm in one of our towns, a near-sighted African sowed it and it proved to be wheat, so then we bought tomato seed of another dealer in general merchandise, planted them, ordered a canning outfit and dreamed of the fancy papers on the cans with geraniums and mandarin and the picture of a big red tomato, and almost imagined that our name was W. S. Mims, Waleys, S. C., when to our astonishment and disgust tomatos came up and the whole patch proved to be egg plants. Other seeds purchased of another firm labeled Crossman Bros. failed to germinate, so potlicker, tomato sauce and seed rice will be scarce articles on this hill for some time to come. Our calculations have fallen through equal to the gal with the milk pail in the blue back speller.

Some people say that everybody thinks their lot the hardest, but we don't believe it, for we have been inside of several of our neighbors' houses lately and they all seemed to be very happy, contented and happy, while at home we are always bustling about as busy as bees and threatening to do great things in the way of work, but am thankful to state that none of us have been hurt yet, except sticking a thorn in the foot under the plum trees or getting scratched with briars trying to get a pie for dinner.

We did not attend the reunion this year. One merchant informed us that if we waited for him to furnish the new suit and the other and loving candidates to furnish the ticket we would not get to the reunion in time and we have discovered that he is not a false prophet but a man who knows whereof he speaks.

Laborers have been plentiful in the harvest fields this season and Capt. G. E. Birt will have his hands full when it rains, threshing wheat, talking politics, farming, stock raising, religion and large fish tales.

Robbed The Grave.

A startling incident of which Mr. John Oliver of Philadelphia, was the subject, is now being discussed. "I was in a most dreadful condition. My skin was almost yellow, eyes swollen, tongue coated, pain continually in back and sides, no appetite—gradually growing weaker day by day. Three physicians had given me up. Fortunately, a friend advised trying Electric Bitters, and to my great joy and surprise, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they saved my life, and robbed the grave of another victim." No one should fail to try them. Only 50 cents per bottle at J. M. Smith's, Williston, D. K. Briggs & Co., Blackville, and C. N. Burkhalter's, Barnwell, Drug stores.

ERWINTON NEWS.

Rain fell in torrents on Friday. Crops are backward, owing to too much rain and heat.

Mr. Erwin Peoples of Savannah is visiting his father at this place.

Mr. S. Owens of Allendale was down on a fish Friday.

Mr. Hal R. Erwin left here last week for Washington, D. C.

Mr. W. A. Gill of Martins was down on Sunday.

Everybody in this community has been vaccinated by Dr. Barnwell, who was sent here by the Governor to treat a case of smallpox.

Owing to the smallpox at Fennell Hill Landing our annual picnic has been postponed until later.

AUGUST FLOWER.

"It is a surprising fact," says Prof. Houton, "that in my travels in all parts of the world, for the last ten years, I have met more people having green August Flower than any other remedy, for dyspepsia, dandruff, liver and stomach, and for constipation. I find for tourists and salesmen, or for persons filling office positions, where headaches and general bad feelings from irregular habits exist, that Green's August Flower is a grand remedy. It does not injure the system by frequent use, and is excellent for sour stomachs and indigestion." Sample bottles free at Green's Pharmacy.

Sold by dealers in all civilized countries.

Annual Report.

Hon. Ernest Gary, Presiding Judge, July Term of Court, Barnwell County.

Sir: In accordance with the requirements of law I beg to make this my Annual Report of cases tried by me as Judge of County Superior and County Superintendent of Education, from August 11th, 1899.

Respectfully submitted,

E. D. FREE, Co. Treasurer.
