But for news from the capital of your State and every county inouth Carolina, served fresh every day; for daily news from Washington, the United States and every other quarter of the globe, nothing can take the place in South Carolina homes of The Dally State.

These are momentous times in history. We are in the midst of ware, strikes and political struggles of great importance. The next session of our legislature, with the inauguration of a new governor, will have peculiar interest. Man or woman, to keep up with the times, must awad the daily history of the world, and that is recorded in entertaining style in The State. The State will be sent daily for \$8 a year, \$4 for 6 months, \$2 for 3 months, or just a fraction over the cost of a postage stamp for one letter a day! Cheap education and information for a family for 21-5 cents a day.

But if you can't afford that, there is The Semi-Weekly State, issued Tueslays and Fridays, each issue conf South Carolina and the world at large for that day and the preceding days since the lact taste. And this may be obtained for \$2 a year, \$1 for 6 months, or just a fraction over a half cent at day!
