There can be no hard times in old Saxe Gotha. Seven barbecues were advertised in last week's Lexington Dis-

lish syndicate sermons. Neither do they live them.

New York editors are a careful people. In a group picture of them every blessed quill driver has a firm grip on his hat, but there is no apparent uneasiness about their pockets.

The sparkling Columbia State headlines that the "State (of South Carogina) is spending all of its money. Something must be done to raise more

The Long Branch Philosopher suggests as a better way that it spend less.

The Aiken Journal and Review still The Aiken Journal and Keview strice. After a long illness Mr. W. V. Gill examination he found a great hole the District and the park Sanita-scooped out on the mountain side. Now, therefore, be it resolved by the of Daniel Berry, A. P. Aldrich, and Railroad. Whenever it is built in the ring, Sayannah, on the 16th lust, aged Roots of trees were cut as though a citizens of said District and the patrons estate of Almedia Harley, Land willed spade had been used. Leaves and brush of said school in regular citizens' meetsweet bye and bye we'll go to Aiken about sixty years. and let Brother Washburn crew over us. As yet we are losing no sleep and dreaming no dreams because Boone in noon of his best usefulness, his wrath that Barnwell wouldn't chip in to pay his surveyors ran his line seven miles West of town.

Editor Wallace of the Newberry Obschool commencements this year and number 147 girls to to boys.

The reason, we suppose, is found in the fact that boys grow last these latter fore they are trained for such work as they were in the old times.

But as an educated woman is worth more than a half dozen men, whether | inent a place and all its progress is a educated or not, its all right and for clasting memorial of his good service.

The Missouri Agricultural Experiment rest. Station issued a special and suggestive bulletin last week. After reciting, the destruction in many localities of the rieties of corn up to July 1st, and such as to sav, I am going up vonder.

wiser in our people to do so, for the season will be longer here, and they are bayers who suffer more from scarcity than sellers.

#### A GRATIFYING CONSUMMATION.

Barnwell, S. C., June 23 1903. To the Citizens and Patrons of Barnwell School District:

The undersigned committee, heretofore appointed by the citizens' meeting held upon the 16th day of Jane 1903, for the purpose of calling upon the Board of Trustees for said district, and presenting them with the fesolutions passed at said meeting, beg leave respectfully to report that they have dis- week charged the duty linposed upon them by the said meeting, and that the said Board of Trustees have vielded to the wishes of the said citizens of said district and have consented to permit their names to be used in the coming election as candidates for re-election as trus tees of said district.

Your committee, therefore, on behalf of said citizens and patrons of said school district, as expressed in said citizens meeting, do hereby place in nomination for election as trustees for Chairman, and Messrs A. P. Manville, G. K. Ryan, J. W. Woodward, J. A. denkins, P. M. Buckingham, Wm. Mc-Nab and Charlie Brown.

Respectfully submitted. J. K. Snelling, Chairman.

B. T. Rice;

J. O. Patterson,

C. F. Calhoun, Chas. Carroll Simms.
