They could better see too how their own neglected political vineyards are in need of their diligent labors.

Secretary of state Gantt recently recoived in one day over a thousand dol-Tare in charter fees for new enterprises and quick on trigger newspapers proclaimed that a positive proof of present prosperity. Yet most of that money came from abroad, and all the enterprises commenced are intended to further enrich already well off people.

The true test of prosperity is in home business. The man who has something of his own production to sell or who has unborrowed money to supply his needs is prosperous, and next to him is the man who can do without things.

President Roosevelt made a new record for atrenuousness last week. Before the body of the late United States Circuit Judge Charles H. The members of the State Democratic, Executive Committee from the Second Congressional District met.in Columbia on-Friday night, tabulated the results of the primary election held on the 23 ! mit, and ordered a second primary to he held on May 7th between candidates T. from the race in the following letter to the chairman of the Executive Com-

Gen. Wittie Jones, Chairman of the Democratic Executive Committee, Co lumbia 8. C.

Sir-I have this day decided to and do hereby withdraw from the race for Congress in the 2d Congressional distriet in the second primary. By so doing I save to the people a furtifer contest for the unexpired term at a time when they are exceedingly busy, and I yield to my opponent, Mr. Theodore G. Croft, who has received almos; a majority of all votes cast in the first primary, au open field. Very respectfully,

S. G. Mayfield.

To the Democratic Voters of the Sec ond Congressional District:

Denmark, S. C., April 80. To my fellow citizens of the Second Congressional District: The result of the arst primary has been disclosed the highest and I the next highest number of votes and we have been declared to be the candidates in the Second primary.

In a campaign covering the entire district, I met my opponents on the Sanders. Elsie Shepperd, MA Sanders, Charthe people. The four contesting candidates presented their views and made sheir appeals for recognition and support. Yet, notwithstanding this, Mr. Croft received in the first primary but a little less than a majority of the votes east, thereby showing that a large percentage of the people of the district Clerk's office. of his tather. At the beginning of this contest, before the campaign opened, when appreached, I consented to allow Mr Croft to be given the unexpired term of his father without opposition, not as a right but as a privilege, if the other aspirants would consent. All did not consent and the campaigh was forced, in which we all joined; the result of which is known.

Now that you have cast your ballofs. and thereby given Mr. Croft almost a majority vote, I feel that you have vir tually sustained the plea made that he

be given the unexpired term. In view of the fact that Congress has already adjourned and but little work can be done by any one holding this 13 unexpired term, and desiring not to force on you at this very busy season 15 the trouble of another election to select 16 a nominee for this short term, and in deference to the wishes of so many voters of the districts, as expressed by their ballots, and in keeping with my expressed consent that Mr. Croft be al lowed to fill the unexpired term of his 22 father, and being now in a position to 28 help carry into effect, in part at least, many of our citizens, I have this day 10 forwarded to Mr. Croft a letter stating 27 my position and also forwarded to General Wiley Jones, State Chairman, my formal letter of withdrawal from the race, thus allowing Mr. Croft to be come the nominee of the party without

further contest.

For withdrawing I know I will be oriticised by those who are willing to wound the feelings of some of my friends and supporters. To the latter I beg to say that my course has been guided by what I belive to be consisted. Just and proper, and I ask them,

> HOW HYOMEI HERPSTHE HEALTH.

Kills the Germs of Grip, Catarrh and Colds, "Costs Nothing off all Fails," says J.C. Greech.

Now that Hyomei can be obtained in nearly every town and city in the country, it is possible to buy from druggists a health giving climate, to be carried in the purse or poeket. By breathing it a few minutes four times a day you can soon cure grip, coughs, colds and even the worst and most chronic cases of extarrh.

it falls to cure. A complete outfit costs but \$1, and consists of the pocket inhaler, medlast several weeks

It effects a cure in the worst cataurhal troubles and if breathed at the tommeneument of a cold or the grip, will check it quickly and prevent sickness. Extra bottles of Hyomei can be obtained for 50c.

When breathed through the inhaler. the germ killing and health giving Hyomei goes to the most remote cells of the throat and lungs, killing all the catarrhal germs, soothing the irritated blood with ozone.

At this season of the year every one should have a Hyomel outfit to prevent and cure catarrhal troubles, and ward off attacks of grip, pneumonia and similar germ diseases.
