CREECH'S PHARMACY.

APPOINTMENT APPLIES.

In April, 1885, the late Mr. John F. Birt of the Long Branch section brought home from Virginia a dozen grafts from the famous apple tree at Appomattox. These he grafted on other shoots on his place. Two of the trees lived. One of them is now a tree a foot and a half in diameter, the other half that size.

"DO IT TO-DAY."

This time-worn injunction, "Never put off till tomorrow what you can do today," is now generally presented in this form: "Do it to-day!" That is the terse advice we want to give you about that hacking cough or demoralizing cold with which you have been struggling for several days, perhaps weeks. Take some reliable remedy for it today—and let that remedy be Dr. Rosche's German Syrup, which has been in use for over thirty-five years. A few doses of it will undoubtedly relieve your cough or cold, and its continued use for a few days will cure you completely. No matter how deep-seated your cough, even if dread consumption has attacked your lungs, German Syrup will surely effect a cure—as it has done before in thousands of apparently hopeless cases of lung trouble. New trial bottles, 25c; regular size, 75c. At Creech's Drug Store and Searson's Drug Store.

THE GUARANTEE PROTECTS YOU.

If Mi-o-na Does Not Cure Dyspepsia, J. C. Creech will return your money. When you buy a box of Mi-o-na, nature's cure for dyspepsia, have him sign the following guarantee. This protects you absolutely against loss, should the treatment fail to cure you.

J. C. Creech hereby agrees to refund the money paid for Mi-o-na upon return of the empty box, if the purchaser tells him that it has failed to cure dyspepsia or stomach troubles. This guarantee covers two 50c boxes, or a month's treatment.

ANY ONE WHO HAS DYSPEPSIA, INDIGESTION, HEADACHES, DIZZINESS, OR SICKNESS OF THE STOMACH, OR ANY FORM OF LIVER AND STOMACH TROUBLE, SHOULD TAKE ADVANTAGE OF THIS GUARANTEE WITHOUT RISKING A PENNY. THE GUARANTEE IS PLAIN AND ABSOLUTE. IF MI-O-NA DOES NOT DO ALL THAT IS CLAIMED FOR IT, IF IT DOES NOT GIVE PERFECT SATISFACTION, IF IT DOES NOT CURE DYSPEPSIA IN ANY FORM AND GIVE PERFECT AND NATURAL DIGESTION, YOUR MONEY IS RETURNED ON DEMAND.

PLEASE RETURN TO ME AT BARNWELL A RED LEATHER MEMORANDUM BOOK, OPEN ENDED, CONTAINING ACCOUNT OF SALES, TWO RAILROAD PERMITS, STAMPS, &c., LOST BETWEEN BARNWELL AND BARNWELL, PROBABLY NEAR GOVAN, AND RECEIVE MY GRATEFUL THANKS. WILL GLADLY PAY ALL EXPENSE OF GETTING IT TO ME.

J. C. CREECH.

Any one who has dyspepsia, indigestion, headaches, dizziness, or sickness of the stomach, or any form of liver and stomach trouble, should take advantage of this guarantee without risking a penny. The guarantee is plain and absolute. If Mi-o-na does not do all that is claimed for it, if it does not give perfect satisfaction, if it does not cure dyspepsia in any form and give perfect and natural digestion, your money is returned on demand. J. C. Creech gives a positive guarantee with every box, showing most conclusively his faith in this remarkable remedy.

Respectfully, Robt. Aldrich, County Chairman.

Court at Walterboro next week.

The first primary election is a little over a month off.

Miss Kate F. Mather is spending two weeks in New York.

Mr. J. A. Cope of Sycamore was in to see us on Wednesday.

Mrs. McArthur of Vidalia, Ga., is visiting relatives in this county.

Dr. J. E. Post went to New York last week on a two week's vacation trip.

Glendale Dairy Farm is now putting up many tons of corn ensilage for winter use.

Mr. and Mrs. A. D. Pate left on Friday morning to visit North Carolina relatives.

Mrs. Robert Aldrich and children are at their summer home, Saluda, N. C., until October.

Dr. R. W. Sandness is conducting the annual protracted meeting at Mt. Arnon church this week.

Hon. James H. Bush of Ellenton was in town Thursday, looking too well to be an Alken citizen.

Mr. W. H. Hartzog struck us Thursday in a way that several hundred other men are invited to imitate.

W. A. Holman Esq. came up from Charleston on Saturday and received the warm welcome of his host of friends.

W. F. Odum and W. R. Woodward of Blackville and Lonnie Richardson of Barnwell are winners of the Clemson scholarships.

The Mid-Summer Pic Nic and Dance at Baldock New Park on next Wednesday will be the Southside's scintillating event of 1904.

Mr. Charlie Molony of Blackville has been promoted to the position of chief clerk at Savannah Division Superintendent Moise.

Miss Nene Armstrong of Dorthan, Ala., daughter of the late Prof. N. W. Armstrong, a very charming young lady, is paying her first visit to Barnwell and Bamberg relatives.

Judge Dantzler disposed of all the ripe apples in his orchard. If proper diligence be used at the fall and winter terms there will be no need for an extra session next spring.

Remembered an old time politician on our hearing last week: "I have been voting for my friends but this next election I am going to vote for the candidates best qualified to fill the offices."

Mr. J. H. Morris of Enal Ga., spent last week with Carolina relatives and friends, giving the former a pleasant call. He is doing well as he deserves to do, but his love for his old home is as strong as ever.

At the State Dental Association last week Dr. Milhous was unanimously elected Second Vice President. It has been fifteen years since such a compliment has been paid a member and in a hundred there will be none worthier.

The dwelling and smoke house of Mr. James Rountree near Dunbarton were burned on Thursday night with all their contents. Mr. Rountree and wife were spending the night at his father's, and consequently saved nothing.

While at supper table on Monday evening Hon. H. C. Cream of Denmark was stricken with paralysis, from which he died at noon on Tuesday. He was 39 years of age and leaves a widow and three sons. In his death Bamberg County loses one of its foremost citizens.

Owing to the illness of his son Mr. J. O. Sanders has been denied the pleasure of attending many pic nic social gatherings, and of meeting old and making new friends. An operation successfully performed last week by Dr. Dougherty in Augusta assures the recovery of the brave little fellow.

The visit of Prof. Bothwell Graham last week was a great pleasure to his Barnwell friends, who still cherish loving memories of his noble father, the late Winchester Graham. In culture, learning and character Prof. Graham is among the foremost Southern men of his age and Carolina has given to Georgia no higher exemplar of her best civilization.

Married in Augusta, Ga., July 20th 1904 at 12 m. by Rev. R. W. Sanders, Mr. Chas. C. Meyer and Miss Clara Dunbar, all of Barnwell county. The bride is a daughter of Mr. Geo. R. Dunbar. The happy couple went immediately to Sullivan's Island for a sojourn of days amid the bracing breezes, being accompanied by Mr. and Mrs. J. A. Meyer and others.

After an illness of several weeks Mrs. Jane E. Snider, formerly of Rich Land Township, daughter of the late Mrs. J. Holland, passed into the better world on Tuesday morning at her home in Elloree, leaving a memory fragrant with the kindly deeds of a perfect life. She was a noble woman and while her going away is a sorrow to the kindred who loved her so well they have the sure comfort of knowing that she has gained the city of the saints of God.

Mr. John D. Kelly of Charleston, S. C., representing the Fidelity and Deposit Company of Maryland, was in town Tuesday, and paid Hon. James E. Davis, Solicitor of the State, \$11800.44 in full settlement of the claim of the State of South Carolina, under Surety Bond issued by the above company on behalf of E. D. Free, late County Treasurer. Mr. Davis immediately transferred the warrant to County Treasurer J. B. Armstrong, who will place same in Bank for collection.

Please return to me at Barnwell a Red Leather Memorandum Book, open ended, containing account of sales, two railroad permits, stamps, &c., lost between Bamberg and Barnwell, probably near Govan, and receive my grateful thanks. Will gladly pay all expense of getting it to me.

W. G. Britton.

GOLDEN DAY AT ELLENTON.

The Glorious Fourth is observed at Ellenton a dozen times a year, the brain day of the nation on the 4th of July by everybody and with a royally good barbecue, estish stew and agricultural discussion by the Four Friends Agricultural Club on the 4th Saturday in each month save December.

And Saturday last was especially golden to the dozen pilgrim candidates from Barnwell who entered within the gates and enjoyed the matchless hospitality of this big-hearted, whole-souled community.

The Club was called to order at 11.30 a. m. by President L. A. Bush, Sr., nearly every member answering to the roll call of Secretary E. R. Buckingham.

The club house is a nice, neat, commodious building. The lower floor is used as dining room and pantry, where all crockery ware, table cutlery, spoons, pans and kitchen utensils are kept. The upper room is furnished with nice comfortable chairs and tables and there the meetings are held.

About 30 yards in the rear of the club house is the one house, containing the "cuc hole, bricked in so that the weather never spoils these seats."

While the constitution prohibits political discussion these best of people could not help extending some privileges and courtesies to the visiting candidates and upon motion of Capt. J. H. Bush all candidates were unanimously allowed the privilege of voicing their ambitions and aspirations. Brief announcements were made by the vote against opponents, but all united in a chorus of praise to the club, the club house, the members thereof and their families, and especially those from the Barnwell side. The barbecue and catch-all stew were served, even if fish had been lacking. They allowed me to do nothing but enjoy myself and be happy, and succeeded so well that I say Come again.

J. M. Bolen.

A CAPTAIN'S TIME.

A few mornings ago I was called out by Uncle James Collins and Mr. Macdon Bolen, and taken to Albert Willis's Mill for a day of perfect weather. They fixed a spring board seat for me, took all the fishing poles and left me to whet my good appetite for fish.

About 11 o'clock they came back, Uncle James calling out as they approached the landing: "Uncle Jerry, we've got all the fish we want!" These they cleaned and fried, nicely fixed a good table and seats, opened baskets and buckets and spread the nicest picnic dinner I ever saw, even if fish had been lacking. They allowed me to do nothing but enjoy myself and be happy, and succeeded so well that I say Come again.

J. M. Bolen.
