LARGEST COUNTY CIRCULATION

THURSDAY, OCTOBER 24, 1907.

From the temperance of his letter to Governor Ansel finding fault with the chief executive for having appointed...

In seeking new homes emigrants prefer the countries having climates as near like those they were raised in as they can find.

Per the same reason two hundred and fifty thousand people have within a few years emigrated from the middle west States into the fine wheat region of Canada.

All citizens of this State are required to pay special taxes on all annual incomes and earnings above \$200 which should the citizens of other States having large investments in this State...

Charleston papers and people have been notified to say about the Von Pils steamship line between their city and Trieste, Austria.

Col. Holmes of The Barnwell People and Col. Wilson of the Abbeville Press and Banner continue in opposition to the migration of these two Ephraims...

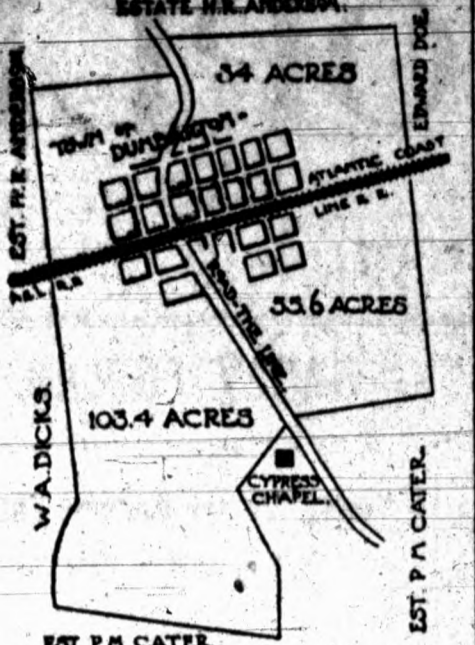

We're sorry, but we like to see the little 'uns, and but in pronouncing, but boys will be boys and old heads...

DOING BUSINESS AGAIN.

"When my friends thought I was about to take leave of this world, on account of indigestion, nervousness and general debility," writes A. A. Chisholm, Treadwell, N. Y., "and when it looked as if there was no hope left, I was persuaded to try Electro-Bitters, and I rejoice to say that they have cured me. I am now doing business again as of old, and am still gaining daily." Best of all tonic medicines. Guaranteed by R. A. Deason & Co., druggist, 100.

A North German Lloyd steamer left Trieste for Savannah leaving nearly 200 cotton mill operatives who will be divided among Georgia cotton factories.

BITTEN BY A SPIDER.

Through blood poisoning caused by a spider bite, John Washington of Roqueville, Tex. would have lost his leg, which became a mass of running sores, had he not been persuaded to try Bucklen's Arneric Salve. He writes: "Four boxes healed all the sores." 25c. Guaranteed at R. A. Deason & Co., druggist.

New York city has imported from Europe a number of blood hounds and shepherd dogs to aid the police in trailing and running down the criminals of that great and wicked metropolis.

"PNEUMONIA'S DEADLY WORK

had so seriously affected my right lung," writes Mrs. Fannie Connor, of Rural Route 1, Georgetown, Tenn., "that I coughed continuously night and day and the neighbors' prediction concerning me seemed inevitable, until my husband brought home a bottle of Dr. King's New Discovery, which in my case proved to be the only REAL cough cure and restorer of weak, sore lungs." When all other remedies utterly fail, you may still win in the battle against lung and throat troubles with New Discovery, the REAL remedy. Guaranteed at R. A. Deason & Co., Druggists, 500, and \$1.00. Trial bottle free.

President Roosevelt completed his two weeks hunt in Louisiana on Saturday. The game killed consisted of 3 bears, a deer, a wild cat, an opossum, a raccoon, a mink and an otter. The president with two shots killed a female bear weighing 375 pounds, that had been chased three hours. He pronounced bear liver the best eating and 'possum next.

THE PRICE OF HEALTH.

"The price of health in a malarious district is just 25 cents; the cost of a box of Dr. King's New Life Pills," writes Rita Stanton, of Noland, Ark. New Life Pills cleanse gently and impart new life and vigor to the system. 25c. Satisfaction guaranteed at R. A. Deason & Co., druggists.
