A BRASH EDIFOR.

Because Editor Perry Hawkins of the Taylor (fex) Journal hitched his horse and buggy on the streets of the town he was errested and fined \$1. He appealed to the county cor rt and had one continuance. A hunge jury resulted at the last term, and the other day the jury before Judge Lawhan at Georgetown brought in a verdiet of which was still the low-st fine. Up to the last trial Colonel Hawkins, pleaded his own case, but finally employed lawyer. While the fine was \$1, the costs ran the amount up to \$283.

LIFE.

Let me but live my life from year to With Torward face and unreluctant Not hastening to, nor turning from the goal: Not mourning for the things that dis-

In the dim past, nor holding back in From what the future veils; but with a whole And happy heart that pays its toil

To youth and age, and travels on with, cheer: So let the way wind up the hill or Through rough or smooth, the journey

Still seeking what I sought when but New friendship, high adventure, and a crown.

I shall grow old, but never lose life's Because the road's last turn will be the best.

Henry Van Dyke.

The nitrogen absorbing bacilli discovered in root nodules twenty years were attracted to leguminous plants only though the variety fayoring peas differed from that found on lupins. With the leguminous plant of its choice each form of micro-organism entered into true symboltic relationship, absorbing hitrogen from the air and feeding it to the higher plant and receiving carbon ju return. In experiments at King's College, London, durdinarily we are not much in favor of opera plays, when outlandish people one with some queer brogne or look use and with constance and land to continue and land to continue and who carry of all the money, they get.

The only real disaster that bereit not was that one of our small boys forget ting the gypsy tent, General Ashie and litherest of creation, got into dream land, bung his head over the foot of the buggy and when we arrive and litherest of creation. There is no doubt the individually on the light of the show was that one of our small boys forget ting the gypsy tent, General Ashie many to the buggy and when we arrive and all the rest of creation, got into dream land, bung his head over the foot of the buggy and when we arrive at the poor house door in the fork of Long Branch and Turkey creek, we discovered that he had lost his cap. Then late sleeping the next morning for all hands gave us a poor day.
