## AN AUGUST ANNOUNCEMENT!

I am glad to give to all past and present customers and to the general purchasing public the good mid summer news that by the transfer of my carefully chosen and complete stocks of Pure Food Groceries, Standard Hardware and Wide Ranged House Furnishing Goods to the more commodious and convenient store room under the Masonic Temple, Barnwell, S. C. I am in the happy position of being able, as I am sincerely desirous of doing, to offer far better advantages in such goods to all who appreciate the square deal in business.

### SOME SUMMER SUGGESTIONS:

Much of human health and happiness comes from the foods eaten and my groceries are the cleanest and choicest. All the substantial and delicacies needed for the breakfast, the dinner and the supper table constantly in stock.

At this leisure season the provident husband and thoughtful housewife can very pleasantly and profitably ascertain what are the needs of the farm and the home in the way of hardware for the field or the kitchen, of furnishings for the dining room or the chamber and supply such wants without hurry or worry.

It is a good time also to prepare for Winter by the selection of blankets, quilts, sheets, pillow cases, &c., when the demand for such goods is quiet.

The chances for high prices for the next cotton crop are gilt edged. That will mean dearer white goods. So be wise and buy now, and from me.

And especially get the girls and the boys who will soon return to their college and school lives provided with clothing that will be comfortable, durable and well appearing. Everything in stock for youths and young men from handsome hats to the shoes that make life's walks easy and graceful.

With sincere thanks for the continuing patronage extended the Molair Store so many years, I solicit the further and larger confidence of my friends and the public and promise my best efforts to make my service acceptable to them.

#### LAST CHANCE

On Monday next, sale day in September, the Registration Books will be open for the last time before the September election. There will be no later chance to get a registration certificate, and one will be needed by every voter for State, County and Federal offices.

#### A NARROW ESCAPE

Mr. Simon Hutto had a narrow escape from serious, perhaps fatal, injury last Saturday morning when a gasoline lamp, on which he was working, exploded. The lamp had refused to burn properly the night before, so Mr. Hutto cleaned it out, poured in a half gallon of gasoline and lighted it. He was standing within two feet of the lamp when the explosion came, blowing out one whole side. Mr. Hutto was unhurt.

#### AT WORK AGAIN.

The cotton caterpillar and army worm is at work in several Barnwell County fields and is doing much damage. Several bolls taken from a field of cotton belonging to Mr. G. W. Black, who lives a couple of miles from town, were exhibited here Monday.

A few weeks ago THE PEOPLE published several articles telling how to fight the pest.

Mr. J. O. Patterson Jr. has declared war on the army worm and began hostilities Monday by treating his cotton plants with Paris green.

#### THE SUNDAY MAILS.

Washington, Aug. 28.—All first and second class postoffices will be closed on Sunday as a result of one provision of the new postal appropriation bill passed by congress and signed by President Taft. Every important city in the United States is affected. Hereafter only special delivery letters will pass through on that day and no mail will be placed in lock boxes. Postoffices in several cities have been closed Sundays heretofore. The postmaster general has permitted it under a regulation, where it was evident that local sentiment demanded it. The closing is now compelled by law.

### PLEASE AND JONES IN NECK AND NECK RACE

Governor Leading by Over 1,000 Votes.

#### MAY BE SECOND RACE

O'Bannon Relected. Morris Defeats Creech. Simms Relected on First Ballot.

The result of Tuesday's battle of the ballots is in doubt in regard to the Governor's race as we go to press. An unusually heavy vote was polled and owing to the length of the ballot in most counties the counting was slow. At 3:45 yesterday morning the vote was as follows:

Blease 56,906, Duncan 1,600, Jones 54,623, with a number of boxes to be heard from. Out of 2,600 votes in Charleston Jones had a lead of 500. There is a probability of a second race, although the Governor's friends claim his reelection.

Tillman has a lead over his two opponents, but as 35,000 or 40,000 votes are yet to be heard from there may be a second race. The vote is as follows:

Dial 16,189, Talbert 20,461, Tillman 42,388.  
Lyon and Peoples will be in the second race for Attorney General. Byrnes has been relected to Congress by a large majority. Incomplete returns by counties are as follows:

	Byrnes	Calhoun
Aiken	1461	674
Bamberg	606	394
Barnwell	1150	1203
Beaufort	426	48
Edgefield	1230	532
Saluda	1350	650

H. L. O'Bannon was relected by a majority of over 600 votes. J. B. Morris elected Sheriff by a majority of over 300. W. Gilmore Simms is probably relected on the first ballot. A. E. Patterson and J. E. Harley will run a second race for the State Senate. R. M. Mixson is apparently the only candidate elected to the House on the first ballot, with Warner, Talley, Creech and Folk in the second race.

W. L. Woodward leads for Coroner, with J. Staff Halford a close second. Diamond and Grubbs will be in the second race for Supervisor.

Holman was relected Magistrate at Barnwell.

All of the Congressmen offering for relection were nominated with the exception of Elberse.

#### THE CHAMPION LIAR.

An old negro in Mississippi was on trial for stealing chickens. He had denied his guilt, and one of the deacons of his church was called to testify to his reputation for truth and veracity.  
"Now, deacon," said the prosecutor, "do you know this defendant?"  
"Yes, sir."  
"How well do you know him?"  
"Oh, I know him as well as well."  
"What is his reputation for truth and veracity in the neighborhood in which he lives?"  
"The old man looked thoughtful for a minute.  
"You know what I mean," continued the lawyer. "Does he tell the truth?" "Can he tell the truth?" "Do his neighbors believe what he says?" "That nigger tell the truth? Does anybody believe him? Why, nigger lawyer, when that nigger wants to call his haws at feebler time he has to get somebody else to boiler fob him!"

#### CUTTING REPARTE.

"How," said a lawyer to a witness, "how can you possibly bear such testimony against this man who you say is your friend?"  
"Sir," said the man, "he is my friend, and I love him, but I love Truth more."  
"You should be ashamed," replied the lawyer, "to turn your back on a friend for one who is a perfect stranger to you."

#### PAINT STAINS.

Paint and varnish stains may be easily removed from the hands by rubbing well into them some grease or lard. Then wash with warm water and soap and the stains will disappear.
