WEBB LIQUOR LAW WENT INTO EFFECT

Only a Short Time, However,

Last week, Mr. Arthur Moore, the local express agent, received instrucshipments of intoxicating liquors, unless addressed to county dispensaries established by law, and that if any such satisfactory. prohibited shipments arrived, they should be returned at once. As there are no dispensaries in Barnwell county, it was thought for a while that the "lid was on tight," as not even whiskey for personal use could be delivered.

day or two later the express company issued another order, authorizing deliveries of liquor "to bona fide consignees in South Carolina for personal | C. A. Bennett. use."

tive E. Y. Webb, author of the bill, by and Mrs. M. T. Willis. his brother, C. S. Webb, a resident of Greenville, asking his opinion as to the from Barnwell Friday. effect on South Carolina. He replied: "Law does not prohibit use shipment and will not unless State forbids it and State can not where it allows sale to Augusta, are visiting Mrs. Annie ndividuals by any one in the State." So whiskey wlll continue to be shipped held before the Supreme Court, and here.

GOV. BLEASE PARDONS HIS NEGRO CHAUFFEUR

possibly longer.

After Conviction in Police Court, Driver, J. WHITNER REED TO is Given Full Pardon.

Columbia, S. C., March 8 - If the police authorities of the city of Columbia do not remit the fine of \$3.75 gives. Secretary of State Farmers' Union to my chauffeur by the recorder, this moraing. I will bereafter pardon every man who applies to me from that court If they will steal from me, who paid the fine-they will steal from the other fellow" This was the statement made

automobile driver, Harrison Neeley The negro driver was arrested for exceeding the speed limit, the officer who made the arrest claimed that he was going at the rate of thirty miles an hour when the speed ordinance requir ed a twelve-mile limit

The Governor stated that, if the fine is not remitted, he will sue for it in order that the legal status of pardons for municipal oftences, will be settled for all time, that "it will be the deer est fine the city of Counting passed on John Dunbar is Severley. Although any person," if not rematted

P S. The negro chauffeur repeated his performance of fast driving Satur day night, this time on Main Street He was arrested and Tuesday morning was fined \$15.75. Governor Blease in mediately granted him a full pardon

OF BOYS' CORN CLUB

Farm Demonstration Agent is Now Actively Engaged in the Work.

Mr. A. M. Sanders, farm demonstration agent for this county, is again in charge of the Barnwell County Boys' Corn Club, and is now engaged in enrolling members. He wants every boy un der 18 years of age to send in at once-his name, age and address. As soon as their names are enrolled, Mr. Sanders will send literature from the Department of Agriculture to the young farmers. He has already addressed a letter to the teachers of the county, asking their co-operation in getting a large mem-

bership this year. The outlook for a splendid list of prizes is very good, and those who go into this contest to win will be amply rewarded for their efforts.
