MR. J. M. EASTERLING PAINFULLY SCALDED

Was the Victim of a Peculiar Accident on Monday Morning.

Mr. John M. Easterling was the victim of a rather peculiar and painful accident Monday morning while at his farm a few miles from town. He was trying to loosen a bolt on his mowing machine and found it immovable. Having heard that boiling water poured on obstinate bolts would loosen them he decided to test the remedy. Having secured a kettle of hot water he returned to his task when the negro who was helping him carelessly dropped the kettle, allowing a steady stream of boiling water to pour down Mr. Easterling's leg and ankle. His shoe caught a large quantity of water and before he could remove it his foot was severely scalded. His many friends will learn with regret of his time with Mrs. M. A. Moye.

The revival meeting will be held at Double Ponds Baptist church the fourth Sunday in July, at 4:30 o'clock P. M. And the meeting at George's Creek church, Govan, S. C. will begin the first Sunday in August, at 11 a. M.
