Riah Mas Takes a Fling at
the Candidates and Bootleggers.

The word And occurs in the old Bible 35,443 times, but that isn't a circumstance to the number of times it will be used this year by the candidates And they will tell what they also favor And if elected what they intend to do And then never make an effort towards it And then vote to Saddle Millions of Taxation on our posterity. And we will venture the assertion that four fifths of the Taxes in Barnwell County is still unpaid we mean by this that the poor Buera and Nigger had to get his Boss or some Bank to pay it, if you dont believe it ask the big Farmer and Land Lord or a fellow like Arthur Kennedy or Nat Walker or anybody that runs a Bank of big-Business of any sort.

And this will be a great year for Soft Soaping Some of us will try our hand And See how many cold drinks cgars and cues we can get by making every one that runs think that when you go to the ticket box with a ticket in your hand Poke it and then you say Surely this is my man. And we can tell the candidates where to get Hot Stuff if they think they need it we will Sight them to a Town that has dropped its character. You dont know how easy it is for a fellow to go there and get Drunk and vom what we can learn the vendors pay smaller licens and thereby sell it cheaper we have seen it picked up in the road on Sunday morning after a Saturday nights mallee And dont you know there was wailing and Nashing of teeth by the owner, gone gone gone And that on the day it was so much needed (Sunday) but it may be that the officers dont know all this or they may be like Bones was when his love died dont care much.

Riah Mas.

Severe Pains in Side

"I HAD had quite a bad spell and sickness," writes Mrs. Emma Patrick, of Caney, Ky.,

"and it was an effort for me to go about my home. I had a very severe pain in my left side that almost took my breath at times. I lost my appetite. I grew thin, pale and lifeless. I fell off till I only weighed about 115 pounds.

"Cardui was recommended to me and by the time I had taken one bottle I saw it was what I needed. I ate more and

rested better. I kept taking it and my skin and flesh took on a more healthy color. I felt stronger and, as the nervousness left me, the pain in my side was less severe. After taking nine bottles, I eat anything, go anywhere and feel fine. I weigh 160 pounds and am well. I feel that I owe it all to having used Cardui."

Pain, in certain parts of the body, is a sure indication of female complications. The treatment needed is not the use of narcotic drugs, but—

So Spring is Here

These are also dangerous times for foods. Above all, this is the one best month in the year in which to start taking ICE REGULARLY, if you are not already doing this. Sudden variations of temperature are extremely hard on food. The purity of milk is particularly endangered. It may turn mighty warm over night, and if the sudden change catches your ice box filled with naught but food, you are running a big useless risk of spoiling it.

A FEW CENTS WORTH OF ICE WILL ALWAYS
SAVE MANY DOLLAR'S WORTH OF FOOD.
