## Notice to Melon Growers

Why take chances of glutted markets in the marketing of your melons and possibly realize nothing from the cars you produce this year? In view of the increased acreage this year over last, glutted markets and embargoes will very likely result. Protect your acreage now with the best contract ever offered the growers of this section. Terms of contract guarantees \$75.00 per car for every car you can load from your acreage of eighteen pounds and up, payable when car is sealed, and that any net returns over and above \$75.00 shall also be paid the grower. Less 10 per cent commission charged for service. Backed by a reliable firm and whose method of selling to advantage is second to none. Contracts are subject to be withdrawn at any time, therefore, it is to your interest to get one now while the opportunity is presented. If interested, get in touch with
