HUSBAND SAID WHY NOT TRY IT

Why Said She Would. Resul Lydia E. Pinkham's Vegetable Compound Made Her Well and Strong

East Hardwick, Vt.—"Last winter I was not able to do any work at all. I had backache, headache, side ache, and was sick all the time for six months. We read about Lydia E. Pinkham's Vegetable Compound in the newspapers, and my husband said to me, 'Why don't you try it?' So I said, 'I would, and he went and got me a dozen bottles. It has done me more good than I can ever tell, and my friends say, 'What have you done to yourself? You look so well.' I tell them that it is the Vegetable Compound that makes me so well and strong. There is no use suffering with backache and pains. I will tell every one what it has done for me."—Mrs. Fred, Primo, Route No. 2, East Hardwick, Vermont.

Housewives make a great mistake in allowing themselves to become so ill that it is well-nigh impossible for them to attend to their household duties.

In a recent country-wide canvass of purchasers of Lydia E. Pinkham's Vegetable Compound, 18 out of every 100 report they were benefited by its use, or sale by druggists everywhere.
