BARNWELL, SOUTH CAROLINA, THURSDAY, NOVEMBER 6TH, 1924.

NUMBER 10.

ACTIVE FIGHT AGAINST TUBERCULOSIS WILL BE WAGED IN THIS COUNTY

The funds that were raised in Barnwell County last December by the Tuberculosis Christmas Seal Committee, of which Mrs. Harry D. Calhoun, assisted by Mrs. A. A. McAllister, Mrs. Carter Price and Col. Edgar A. Brown, will be used to begin an active fight against tuberculosis in this county during November. Mrs. Lee Cain, clinic worker for the South Carolina Tuberculosis Association, is expected here this week to begin a month's intensive clinic educational campaign.

Mrs. Cain will seek to locate and get under medical supervision some of the cases of tuberculosis in the county that are not already under medical care. During the campaign free clinics will be held, at which a State chest specialist, in cooperation with the local doctors, will examine those who have tuberculosis or those who suspect that they have the disease. Patients will be advised as to treatment and precautions necessary to prevent the spread of the disease. An effort will also be made to secure admission to sanatoria for patients who need sanatorium care.

Mrs. Cain has had specialized training for this work. After serving as Red Cross worker during the war period, she has for the past three years been in the Government Hospital Service at the Tuberculosis Sanatorium at Greenville and Asheville. She has had special training in tuberculosis work under national specialists and understands the problems that confront the tuberculosis sufferer and his family, as well as the relationship of tuberculosis to the general public. Mrs. Cain has just completed a most successful clinic program in Aiken County. She has held clinic programs this summer in Williamsburg, Calhoun and Clarendon Counties, and has been most successful in this work. Mrs. Cain has many organizations, including the U. D. C., the D. A. R., the American Legion Auxiliary and two federated clubs in her home town, St. Matthews.

The program in Barnwell County is under the auspices of the County Christmas Seal Committee with the State Board of Health and the South Carolina Tuberculosis Association cooperating.

AN IMPORTANT MEETING OF BAPTIST CHURCHES

Dr. C. A. Jones and Dr. T. J. Watts, of Columbia, have planned a series of associational conferences, 39 in all, and have selected speakers for each conference.

The plan is to send a speaker to three associations with one conference in each on succeeding days, the dates being Nov. 18th, 19th and 20th, Tuesday, Wednesday and Thursday.

The conference planned for the Barnwell Baptist Association meets with the Blackville Baptist Church Tuesday, Nov. 18, at 11 o'clock.

It is highly important that all pastors, organizers, publicity directors and W. M. U. Organizers of the churches attend this meeting.

An able speaker will be sent to Blackville, and we may expect a meeting of great interest.—W. R. Davis, Publicity Director.

LARGE CROWDS ATTEND REVIVAL SERVICES AT FIRST BAPTIST CHURCH

Blackville, Nov. 3.—Dr. J. B. Phillips, of Chattanooga, Tenn., who is conducting a series of meetings in the First Baptist Church of Blackville, is attracting a great host of people from Blackville, the surrounding communities and all the nearby towns, by the wonderful messages that he is bringing to them as an enthusiastic and earnest minister of God. Pastor L. H. Miller had, previous to the coming of Dr. Phillips, led his people to expect great things of this well-known evangelist, and he has more than measured up to expectations. It is well worth coming many miles to hear him and we cordially invite the people all over this section of the State to attend as many of the meetings as possible this week. Three great mass meetings were held Sunday and the attendance was large at each service, the house overflowing at each service, the house overflowing at each service, the house overflowing at each service.

In Honor of Football Team.

Master Ben Davies, Jr., entertained at dinner Tuesday evening at the home of his parents, Mr. and Mrs. B. P. Davies, in honor of the Barnwell High School Football Team, the occasion being his thirteenth birthday anniversary. The high school colors, red and white, were carried out in the decorations. Covers were laid for twenty-two, the place cards being in keeping with the occasion. After a turkey dinner had been enjoyed, the birthday cake, with thirteen candles, on it, was brought in by the mother of the young host and considerable merriment was caused when the guests named the candles. The cake was cut and served with block cream, following which after dinner speeches were made. Prof. Robison, in extending congratulations to his young host, expressed belief that nothing tends to bring the boys closer together than an occasion of this kind. Prof. Guyot, the popular coach, voiced the same view and also wished Ben a long and happy life. Last but by no means least, Mr. James Calhoun, captain of the team, proved that he is a chip of the old block when he gracefully expressed the thanks of the entire team and tendered their congratulations to the host. Fifteen cheers were given for Ben and the remainder of the evening was spent in listening in to radio programs, playing again games of the past and planning how the Barnwell eleven will humble their opponents in the future.

Those enjoying Ben's hospitality were: Prof. Robison, Prof. Guyot, Messrs. James Calhoun, Aubrey Hagley, Frank Kirkland, Eugene Brown, Sidney Carroll, Ben Armstrong, Willie Holland, Bethune Owens, Calhoun Lemon, Bethune Halford, Harold Peacock, Charles Burkhalter, Harry Anderson, Brown Parker, McBee Holley and Leroy Molair.

Celebrates 91st Birthday.

On Saturday, Nov. 1st, Mr. W. H. Creech, of the Ulmer section, celebrated his 91st birthday. A goodly number of his children, grandchildren, great-grandchildren and one great-grandchild gathered at the old home, where a picnic dinner was served. Mr. Creech was given a "pounding." His wife is 81 years old and they have been married 66 years. This is a record seldom equalled.

BARNWELL AND BAMBERG BAPTIST ASSOCIATION HOLDS ANNUAL MEETING

Williston, Oct. 30.—The 68th annual association of the Baptist Churches of Barnwell and Bamberg Counties was held Tuesday and Wednesday, October 28th and 29th, with the pleasant Hill Baptist Church of Barnwell County. This prosperous church is located seven miles from Williston on the Williston-Dunbarton road. Rev. W. H. Davis of the Williston Baptist Church is also pastor of the Pleasant Hill Church.

The first day was largely taken up with organization, reports of committees, etc.

Dr. Chas. A. Jones, of Columbia, spoke on the launching of the new campaign for the various activities of the church and the winding up of the 75 Million Campaign.

Rev. A. T. Jamison, of Connie Maxwell orphanage was on the program for Wednesday.

Dr. Robert A. Black was re-elected Moderator. The other officers elected are: Rev. W. R. Davis, vice-moderator; N. M. Fender, clerk; R. R. Johnston, treasurer.

A bountiful and most delightful barbecue dinner was served on the grounds both days. Fully five hundred attended the sessions on opening day.

One of the most interesting features of Wednesday's program was the address of Dr. W. T. Derieux of Columbia on State Missions. There were several other interesting speakers during the association.

An invitation has been extended to hold the 1925 session of Barnwell Association in the new Williston church.

S. G. Mayfield, of Denmark, led an interesting discussion on public morals.

Within the past few weeks Williston has taken on quite a building boom. In addition to the handsome new Baptist Church now nearing completion with the roof partially on, Q. A. Kennedy is erecting on Main street a large brick warehouse and a handsome brick filling station. L. R. Hair, Southeastern Express Agent here, is erecting an attractive bungalow near his present residence. J. W. Folk has about completed a brick warehouse and show room for his Chevrolet business.

Death of W. C. Dyches.

Blackville, Nov. 1.—After a lingering illness, Mr. W. Cullen Dyches died at his home near Blackville on Thursday, Oct. 23rd. He bore his suffering patiently and without murmur. He was a farmer and a quiet, peaceful man, a loving husband and father and a true friend. He was a consistent member of the Baptist Church since early childhood. He was 42 years of age at the time of his death. The funeral services were held at Double Ponds Church Friday, Oct. 24th, at 11 a. m., by the Rev. A. J. Foster, of Columbia, assisted by the Rev. L. H. Miller, of Blackville. His body was laid to rest in the adjoining churchyard. The many beautiful floral offerings testified to the esteem in which he was held by all.

Mr. Dyches is survived by his widow; one daughter, Mrs. J. C. Lott; four sons, Messrs. Harry, Cecil, Claude and W. C. Dyches, Jr., one granddaughter; two sisters, Mrs. D. P. Baxley, of Ellenton, and Mrs. Harry Cain, of Blackville; four brothers, Messrs. Hayward Dyches, of Ellenton, Aiken Dyches, of Augusta, Ga., Boncil and Sammie Dyches, of Blackville.

Mr. Dyches will be greatly missed in this section.

Miss Mae Compton Dies in Columbia

The friends of Mr. H. P. Compton will regret to learn of the death of his sister, Miss Mae Compton, in the Baptist hospital in Columbia last Saturday. The following account of her illness and death is taken from The Columbia Record of Nov. 3rd:

Following short services held at 1527 Gervais street, at 10:30 o'clock Monday morning the body of the late Miss Mae Compton, who died at the Baptist hospital Saturday night, was taken to Fairfax for burial.

Miss Compton was a graduate nurse at the hospital and was held in high esteem in her profession. She had made many friends who mourn her death. She was 22 years of age. Death was due to blood poisoning, which was caused, it is said, by squeezing a small pimple on her face.

BARNWELL COUNTY TO MAKE NEARLY AS MUCH COTTON AS LAST YEAR

In spite of unseasonable weather during the growing season, Barnwell County will make nearly as much cotton this year as in 1923, according to a recent report of the Department of Commerce. At one time last Summer, estimates of the crop ranged anywhere from 10,000 to 15,000 bales, but according to the Department's report of cotton ginned prior to October 18th, there were 15,441 bales ginned in Barnwell County as compared with 15,785 bales the same date in 1923. While the yield per acre in most sections is smaller this year, the size of the crop is accounted for by the increase in acreage. Daily receipts on the local market are becoming smaller and Barnwell cotton buyers now estimate the crop at about 17,000 bales, as compared with 19,000 in 1923.

The total ginnings for the State prior to October 18th were placed at 362,230 bales, as compared with 508,091 bales to the same date last year. This decrease is found mostly in the counties in the upper part of the State. The report for other counties in this section are as follows:

	1924	1923
Aiken	18,211	19,702
Allendale	8,918	9,342
Bamberg	8,903	11,043
Hampton	6,668	4,564

Bryan-Proffitt.

Allendale, Nov. 1.—A wedding of unusual interest in both North and South Carolina was solemnized Saturday evening at twilight at Gravel Hill, the beautiful home of Mr. and Mrs. W. Z. Bryan when their daughter, Willie Frances, became the bride of Mr. Carl Clawson Proffitt, of Raleigh.

The bride is the charming daughter of Mr. and Mrs. W. Z. Bryan. She is an honor graduate of Greenville Woman's College, where she was a member of the Zeta Sephia scholarship society. Since graduation she has resided in Forest City, N. C., Florence, S. C., Reidsville, N. C., and Asheville, where she has many friends.

Mr. Proffitt is a resident of Raleigh, where he is connected with the Niagara Sprayer company. He attended North Carolina State College and Cornell University and is a Shriner.

Has Both Legs Broken.

While on his way to his home in Allendale Tuesday night, Mr. Reid Boylston noticed a man lying in the road near Long Branch Church. Stopping his car to investigate, he found that the man was Mr. Henry Hartzog, who had been run down by a passing automobile and both legs broken below the knee. Mr. Boylston carried the injured man, who was in a semi-conscious condition, to a nearby house and summoned Dr. Chas. A. Hensley, of this city. The latter stated yesterday morning that he had made arrangements to take Mr. Hartzog to an Augusta hospital.

The driver of the car that ran down Mr. Hartzog evidently did not stop to render any assistance, and everything possible will be done to establish his identity.

Tessier-Johnson.

Miss Anita Tessier, of Augusta, and Mr. Clarence Birnie Johnson, of Allendale, were married at high noon Saturday at the home of the bride's parents, Dr. and Mrs. Tessier, on Hickman Road, Augusta, Ga. The bride is a very attractive young lady. The groom, who is a son of Mr. and Mrs. J. W. Johnson, of Williston, and brother of Judge J. Henry Johnson, of Allendale, is a member of the Allendale bar. His Barnwell County friends wish him a long and happy married life.

COOLIDGE AND DAWES GET BIG LEAD EARLY; BOND ISSUE DEFEATED

President Calvin Coolidge was re-elected in Tuesday's election by an overwhelming majority and at an early hour that night his election was conceded by big Democratic newspapers in the East. He and Dawes will have between 300 and 400 votes in the electoral college, with only 266 necessary to elect.

In spite of the fact that Coolidge carried New York State, Governor Al Smith, Democrat, was re-elected.

Election day passed off quietly in Barnwell. The vote at this precinct was as follows: Davis, 210; Coolidge, 20; LaFollette, 0. Nineteen negroes and one white man voted for the President. All constitutional amendments received a majority, but the vote on the bond issue was as follows: Yes, 15; no, 190.

Reports from Dunbarton and Williston were to the effect that the amendments all received majorities but the bond issue was snowed under. At Blackville the amendments and the bond issue received majorities. No votes were cast for either Coolidge or LaFollette at Williston and Blackville but each received two votes at Dunbarton.

The vote throughout the State was overwhelmingly against the \$10,000,000 bond issue and the amendments were also apparently defeated.

ESTILL IS DEFEATED; WILLISTON WINS GAME

Barnwell kept up its winning streak by defeating the Estill football eleven at Barnwell Friday afternoon, 31 to 0. The locals clearly outplayed the visitors throughout the game and the Barnwell goal was never in danger.

Barnwell gained consistently with line bucks, end runs and forward passes. A touchdown was made in each of the three first quarters with two in the fourth. Estill was unable to gain through the locals' line but completed two or three forward passes. Barnwell had the ball on Estill's two-yard line when the final whistle blew.

Game in Williston.

Williston, Oct. 31.—In a game featured by pretty runs and splendid passing with several very tense moments Williston High defeated Aiken here today 21 to 0. Joe Kennedy went through the line in the second quarter for the first touchdown. In the third and fourth quarters P. Lee and M. Lott made touchdowns. R. Odiorne kicked goal in each try. E. Kitchings for Williston completed several beautiful passes. The entire Williston team played jam-up ball and in the fourth quarter when several second stringers were run in continued to hold the Aiken team except when Black got away for the longest run of the afternoon, netting about 50 yards. Webb, Black and Clifford were the outstanding players for Aiken.

Hallowe'en Bridge Party.

The outstanding social event of the Fall season was the lovely Hallowe'en bridge party given Friday afternoon by Mrs. Edgar A. Brown at her home on Main Street. In keeping with the spirit of the occasion, the house was decorated with black cats, pumpkins, witches, etc., while the soft glow of electric lights, disguised as pumpkins, added to the charm and witchery of the scene.

Bridge was played at eleven tables, there being 43 guests present. The first prize was won by Mrs. R. C. Holman and the second prize by Mrs. Neil. The prize for the highest score by an out-of-town guest was awarded to Mrs. Johnstone. The consolation was cut by Mrs. Lang Cave. After the games, delightful refreshments consisting of block cream and block cake were served. The favors were black cats.

The out-of-town guests were as follows: Mrs. Neil and Mrs. Johnstone, of Macon, Ga.; Mrs. Ralph Walker, of Appleton; Mrs. R. P. Pearson, of Allendale; Miss Lillie Lightsey, of Hampton; Mrs. C. J. Brooker and Mrs. Leon Tobin, of Bamberg; Mrs. Davis Hankinson, of Aiken; Mrs. Jas. Arthur Kennedy, of Williston, and Mrs. B. F. Owens, of Dunbarton.

Messrs. J. D. Collins and W. H. Hartzog, of the Double Ponds section, were among the visitors here Monday and both renewed their subscriptions to The People while in the city.
