Will Practice Law.

Aiken, Nov. 13.—James F. Byrnes, after 14 years of service, will retire from congress next March 4th and thereafter return to Aiken and engage in the practice of law, according to a statement made by him several days ago. Prior to his first election to congress Mr. Byrnes served as solicitor of this circuit.

Since his defeat for the United States senate by Coleman L. Blease, Mr. Byrnes has been resting at home in Aiken with the exception of the time spent on the stump campaigning for the democratic nominees for president and vice president, and last week he accepted a case from Barnwell County, his first in a number of years.

**We Are
Proud of
Our Farmer
Friends:**

We are especially proud that we have so many farmer customers. Agriculture is particularly interesting to us, as indeed it should be to everyone, and we like to have the farmers drop in and talk over their problems with us.

When we can give advice or render service of any kind, we are always glad to do so.

We know that the growth and development of this community depend to a large extent upon its farming interests, and we aim to do our part toward helping the farmers succeed.

WE INVITE FARMERS TO BANK WITH US.
