

A NEW CARLOAD

I have just received another car load of the famous Rock Hill Buggies. Have also a large lot of other standard make vehicles.

You can also find the most complete line of Harness, Lap Robes and Whips that has ever been shown in this part of the State.

ONE AND TWO MULE WAGONS!

"Mitchell," "White Hickory" and "Old Hickory"

We are selling this stuff at SHORT CROP PRICES. CASH OR ON TIME.

If you don't believe we can suit you as regards prices, quality, and terms, give us a call. We shall be glad to see you.

G. Frank Bamberg.

Supplement to THE BAMBERG HERALD, Thursday, October 31, 1901.

COLUMBUS, Ohio, October 27.—John Sigrist, center rush of the Ohio State University foot ball team, is at one of the city hospitals with a broken neck. Sigrist was injured yesterday in the game with Western Reserve. An X-ray examination to-day showed that the third cervical vertebrae was fractured. An operation will be performed, but there is little hope that it will avail. Sigrist's body is paralyzed from the shoulders down.
