To say that the remedy acted as a most agreeable surprise is putting it very mildly. I had no idea that it would or could knock out the grip, simply because I had never tried it for such a purpose, but it did, and it seemed with the second attack of coughing the remedy caused it to not only be of less duration, but the pains were far less severe, and had not used the contents of one bottle before Mr. Grip had bid me adieu, For sale by Bamberg Pharmacy.
