Who Was Almost Crazed with Pain and Suffering.

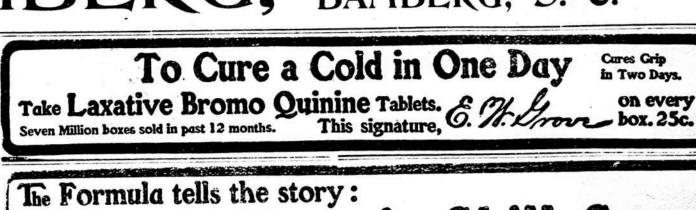

It is well known that terrible rheumatism, sciatica, and neuralgia cause more helplessness, acute suffering, and agony, than any of the other diseases that afflict humanity. The great medicinal virtues of Paine's Celery Compound make it the only trustworthy specific for the cure of all forms of rheumatism and neuralgia. Thousands of strong testimonial letters from the most prominent people of the land, prove that Paine's Celery Compound

has banished these terribly fatal troubles when all other treatment has failed. Mrs. Mar garet Bethel, of Brainerd, Minn., after thirty years of agonizing tortures had a desire to end her life, if it was the will of Heaven; she almost prayed for the time to lay it down. Heaven-directed, she made use of Paine's Celery Compound, and is enjoying true life once more. She says :--

"For thirty years I have been a great sufferer from neuralgia in the head, and also with rheumatism in the whole body. I began taking Paine's Celery Compound and soon
