Rev. Wm. Haynsworth has resigned the second church in Darlington, after five or six years of faithful service. We hope some good church or churches in this State will keep him in our borders.—Baptist Courier.

Our passenger trains continue to be late almost every day, and the delay is a source of great annoyance to our business men and the traveling public. We ought to get after the railroads and see if conditions cannot be bettered.

Rev. J. B. Traywick, pastor of the Denmark Methodist church, preached in the Methodist church here last Sunday night. The church was lighted by electricity, this being the first service for which the lights were used.

School was suspended at the graded school last Thursday and Friday on account of the furnace being out of fix. Edwin Clapp shoes just in at Klauber's. You had better hurry if you want a pair.

Work has been stopped for three weeks on the new building for the Bamberg Banking Company because the contractor cannot get brick. The trouble is that the railroad does not furnish cars for shipment. After considerable trouble and correspondence, the bank officials have at last induced the railroad to furnish a car, and the brick will possibly be here this week. It will be the first of January before the building is ready for occupancy.

Two Runaways. There were two runaways on Main street last Monday, which created a little excitement. Two mules were hitched to a wagon standing in front of the Bamberg Furniture and Hardware Company. The wagon was being loaded with furniture when they dashed off up Main street at a lively gait, turning the corner at Copeland's store. There was no one in the wagon but a little negro boy, but he grabbed up the reins which were lying loose and swung manfully on. He succeeded in checking their speed somewhat and some one stopped them near the dispensary. No damage was done.

Later in the day Mr. E. D. Felder's horse hitched to a wagon was being driven through the narrow alley between Burton Felder's store and Brickley's bicycle shop, when a cat jumped out and scared the horse. The wagon struck a post and he ran out on the street with only the shafts clinging to him. But he was not frightened much and was stopped without difficulty. Some damage was done to the wagon and harness.

The Cotton Market. Cotton receipts continue very light on this market, and it seems that the crop in this section is about gathered and sold. The staple is worth 10 5-16 cents the pound here to-day.

The citizens of town don't appreciate this water as they should.

A YEAR OF BLOOD. The year 1903 will long be remembered in the home of F. N. Tackett, of Alliance, Ky., as a year of blood; which flowed so copiously from Mr. Tackett's lungs that death seemed near. He writes: "Severe bleeding from the lungs and a frightful cough had brought me at death's door, when I began taking Dr. King's New Discovery for consumption, with the result that after taking 4 bottles I was completely restored and as time has proven permanently cured." Guaranteed for sore lungs, coughs and colds, Hoover's Drug Store, J. B. Black. Price 50c and \$1.00. Trial bottle free.
