It was a genuine pleasure to the people of Bamberg to entertain the State W. C. T. U.

There are lots of children within the corporate limits of Bamberg who ought to be in school.

A certain newspaper man in South Carolina, who prints a mighty readable weekly, stated last week in his paper that the pay roll of his office the week previous was \$32.91.

The Carlisle Fitting School pays big dividends to Bamberg, and the institution should have the support and encouragement of our people generally.

It is gratifying to note that the white population of South Carolina is increasing. The second primary election clearly proved this.

We trust this will be a most successful year in our graded school. There is an old saying that a new broom sweeps clean.

CLOSED IN MANCHESTER.

More Than Four Hundred Mills Have Shut Down.

Manchester, Eng., Sept. 21.—More than 400 cotton mills in Lancashire are idle to-day as a result of the dispute over wages between operatives and employers.

Sheriff Kills His Man.

Gainesville, Ga., Sept. 21.—Sheriff W. W. Beard, of Clay county, was shot five times here this morning by George Thomas, the negro alleged to have murdered the Bius boys about ten days ago.

Three other negroes, Essie Coleman, Alma Johnson and Savannah Woods, the woman whose house is near the scene of the tragedy, are confined in the county jail as accessories.

ORANGEBURG SENSATION.

White Man Arrested on Charge of Assassination.

A warrant was issued this morning by Magistrate C. P. Brunson, upon an affidavit made by Mr. Frank M. Demars for the arrest of one P. W. Harley upon the charge of murder.

It was only a short while after the warrant had been issued, and placed in the hands of a constable, that Harley was placed under arrest, and he is at present in the county jail.

The issuing of the warrant and the arrest this morning, was the result of work done by a detective who has been working in the case for some months past.

It will be remembered that Mr. Jeffcoat was returning to his home one Saturday night from North, and that he was shot from ambush.

Harley was a candidate in the past campaign for supervisor of Orangeburg county.—Orangeburg Evening News, Monday, Sept. 21.

Night Riders in North State.

Charlotte, N. C., Sept. 21.—Night riders have appeared in this State and have threatened to burn a cotton gin if it continues to run in the face of the declining cotton market.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable.

Three other negroes, Essie Coleman, Alma Johnson and Savannah Woods, the woman whose house is near the scene of the tragedy, are confined in the county jail as accessories.

UNCLE BEN IN RING.

Will Soon be Back to Take Part in National Politics.

Columbia, Sept. 19.—The impression that seems to have prevailed over the State for some time that Senator Tillman would have to be a passive figure in politics upon his return from his European trip is without foundation, according to Dr. J. W. Babcock who has just returned to Columbia after spending four months with the Senator abroad.

Dr. Babcock says the Senator recognized as he should have done years ago his limitation, but he will get right into the political game upon his return. He is practically recovered, the doctor says.

In spite of all he could do to prevent it, the Senator is returning to take part in the presidential campaign for Bryan. The Senator remains a month longer in Scotland.

Another Tragedy Recalled.

Fairfax, Sept. 17.—The death of Mr. J. Peter Priester, by his own hand, at his home near Sycamore last Saturday recalls another tragedy which occurred about 30 years ago at the same homestead and but a short distance from the same spot where the suicide was committed.

William Henry Priester, a twin brother of the dead man, at that time in a fit of anger shot and mortally wounded his father, Capt. William Priester. The paricide had only a few months before married Miss Long, of Greenville.

The defense was that the defendant was insane when he committed the deed and the jury acquitted him on that ground, and Judge Mackey had him sent to the lunatic asylum in Columbia, where he died a few months afterward.

Capt. Priester was possessed of considerable wealth and when he realized that he was mortally wounded he made his will, giving everything that he possessed to his son, John Peter, his only child, except the paricide.

John Peter married Miss Lamar Williams, who died eight or ten years ago. He was evidently of unsound mind, having been adjudged insane at one time during his wife's life time and was sent to the hospital for the insane, but did not remain there long.

INJURED IN A RUNAWAY.

Greenville, Sept. 19.—Mr. Wade Green, a farmer, aged 35 years, whose home is about six miles east of Greenville, was seriously injured in a runaway here this afternoon.
