AS TO "LAND GREED."

The Walterboro newspapers appear to be somewhat exercised over our paragraph in reference to the citizens of Warren and Broxton townships wanting to vote themselves into Bamberg county, and seem very much surprised that they had not heard of it.

Those people will better their condition by coming into Bamberg. We are willing to compare records with Colleton along any line, "natural resources" or otherwise. We believe Bamberg has better roads, better schools, and a lower tax rate than Colleton.

But don't worry yourself. When the people of that section get ready to take any action in the matter they will not tax your brain with asking advice or suggestions as to what they must or must not do, and again we say if they want to come into Bamberg they will be cordially welcomed.

CIVIC ASSOCIATION.

We are very much gratified that the ladies of Bamberg have organized a civic association. There is much work for them to do, and we pledge them the hearty support of this newspaper in their efforts for a clean and beautiful city.

Is This True?

"We understand that the people of Warren and Broxton townships in Colleton county are agitating the matter of voting themselves into Bamberg county. While we do not care to be put in the position of trying to make people in other counties dissatisfied, still if they want to come they will be welcomed.

The above comes as quite a surprise to us—we have heard absolutely nothing of any "agitation" on the part of any one to go to Bamberg county. We trust this is only one of brother Knight's dreams of what he would like to see.

HOMICIDE IN ANDERSON.

Wiley McIntosh, Colored, Shot and Killed by Eulace Belcher.

Anderson, Oct. 7.—Anderson county added another homicide to her list when Wiley McIntosh, colored, was shot and killed by Eulace Belcher at Barnes station. Belcher has been arrested and lodged in the county jail.

Belcher tells a different story. He says that he heard a noise under his house and that when he went out to investigate it some one began shooting at him from under the house. He said he returned the fire and hit McIntosh. Belcher said that McIntosh was running when he shot him, hence the bullet wounds in the negro's back. Belcher made no attempt to escape and did not resist arrest.

SLAIN BY WOMAN.

Capt. J. Clayton Erb's Sister-in-Law Admits She Did the Shooting.

Philadelphia, Oct. 7.—The killing at his country home near here last night of Capt. J. Clayton Erb, trusted lieutenant and confidential man of Israel W. Durham, former leader of the local Republican organization, has caused a sensation.

According to Mrs. Beisel, she heard an exchange of angry words on the second floor and, on going upstairs found Erb beating his wife. According to her story, as related to the officials, Erb turned from his wife and started to attack her and, fearing for her life, she pointed a revolver at him and fired. She emptied every bullet of the chamber into Erb's body and he staggered and fell in his tracks.

Eugene Poulson, a colored coachman, recently indicted at the instance of Mrs. Erb for threatened assault, was the first to spread the alarm when the shooting was discovered. According to his story he was sleeping in the coachman's house when Mrs. Beisel aroused him by crying out: "Capt. Erb has been shot." Poulson ran to a nearby village and at midnight aroused the officials and hurried them back to the scene of the tragedy.

"Clay" Erb, as he was familiarly known, had been a prominent figure in Republican political affairs of this county and state since the ascendancy of his friend, Durham.

Just Land Greed.

And now comes the Bamberg Herald with the statement that a part of Colleton county wants to move. Above all that it wants to get into Bamberg county. Just to keep the record straight this is what the Herald says:

"We understand that the people of Warren and Broxton townships in Colleton county are agitating the matter of voting themselves into Bamberg county. While we do not care to be put in the position of trying to make people in other counties dissatisfied, still if they want to come with us they will be welcomed. We understand there is a movement on foot for Blackville township, in Barnwell county, to come into Bamberg also.

Now, Neighbor Knight may be working a joke or leading up to a boom issue, but he's certainly serving cold dope when he passes out this dose. Some fellow may have casually remarked that Bamberg is a mighty good county—and it is—but this is the first information The News has had that anybody preferred Bamberg to Colleton county; any of the folks living in Colleton.

As good as Bamberg is we are just a little better as a county, and we are very shortly going to be better than that. In fact, with all the development work just opening up in this county, and the possession of natural resources all over the county which Bamberg could never hope to lay claim to, who would want to make such a move?

No, old fellow, you simply got the left shoe on the right foot. No portion of Colleton county has the slightest reason to want to become a part of Bamberg; but Bamberg has every reason to want a part of Colleton—which she can't get.

And say, neighbor, we are pretty busy right now, and jokes are out of season.—Colleton News.

JEALOUS MAN USES AN AXE.

His Wife, Brother-in-Law and Lateral's Wife His Victims.

Bristol, Tenn., Oct. 4.—A special from Johnson City says:

L. A. Bayless, a magistrate, early to-day attacked his brother-in-law, Berney Bayless, while the latter was asleep in bed at his home and almost literally chopped his head off with an axe. He then attacked Bayless's wife fatally wounding her. Turning the weapon upon his own wife, who was in the house he struck her several blows and inflicting probably fatal injuries. Bayless was arrested and half an hour later was found dead in his cell, having hanged himself.

Jealousy is said to have been the cause of Bayless's attack.

G. Frank Bamberg received Monday the first car load of horses and mules for this season. They are beauties, and will be sold right. Full stock of buggies, wagons, harness, lap robes, etc., on hand.

New City Hall.

City council is discussing the proposition of erecting a new building to replace the one destroyed by fire. It is likely that Bamberg will have a sky scraper, as it is the plan of council to erect a three-story building if possible. They wish to erect a building 35x100 feet, with a handsome store on the first floor. On the second floor will be a larger hall for public entertainments, etc., and the third floor will be a lodge room for the Masons and Knights of Pythias.

Will Go to Johnston.

Rev. P. E. Monroe, of Ehrhardt, has accepted a call to become pastor of the Lutheran churches forming the Johnston pastorate. Mr. Monroe ranks among the eminent divines of the South Carolina synod, and we bespeak for him and his family a hearty welcome from the people of Johnston of all denominations.

Rev. Monroe Reconsiders Call.

Rev. P. E. Monroe, who recently accepted a call to this Lutheran pastorate, which he later declined, was here last week, and after reconsidering the matter, he decided to accept the call and will enter upon the discharge of his duties some time in November. The joint council of the pastorate met here Saturday and the final details were agreed upon.—Johnston News-Monitor.

The Barnwell People say that Rev. P. E. Monroe has accepted the call of the Lutheran churches composing the Johnston pastorate, and will take charge about the first of November. Mr. Monroe is pastor of Ehrhardt and Mt. Pleasant Lutheran churches in this county, and has been for several years. He has made a number of warm friends, who will regret his departure.

DON'T EXPERIMENT

You Will Make No Mistake if You Follow This Bamberg Citizen's Advice.

Never neglect your kidneys. If you have pain in the back, urinary disorders, dizziness and nervousness, it's time to act and no time to experiment. These are all symptoms of kidney trouble, and you should seek a remedy which is known to cure the kidneys.

Doan's Kidney Pills is the remedy to use. No need to experiment. It has cured many stubborn cases in Bamberg. Follow the advice of a Bamberg citizen and be cured yourself.

J. C. Utsey, Main St., Bamberg, S. C., says: "I am very willing that my name should be used in recommendation of such a valuable remedy as Doan's Kidney Pills. I suffered to quite an extent from kidney trouble for several years. There were pains in the small of my back, through the loins and at times I was bothered by the irregular action of the kidneys. The use of several remedies brought me but little relief and when I saw Doan's Kidney Pills advertised, I went to the People's drug store and procured a supply. Although I have not taken them long enough to justify a cure, from the results already received, I feel that it will be but a short time before this result is brought about. I hope that others who are afflicted in a similar manner will give Doan's Kidney Pills a trial."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.
