Cotton went up to thirteen cents last Thursday, and those people who sold cotton on contracts last summer are getting sick of their deal. No doubt there will be little cotton sold ahead in this section hereafter.

Lyceum Course.

Messrs. E. Paul Allen and P. B. Murphy are endeavoring to get up a lyceum course for Bamberg this winter, and as there will be no amusement of any kind here during the winter months, it is to be hoped they will succeed. The attractions they will get are high-class including the Royal Hungarian orchestra and other musical companies. The lyceum courses heretofore have been a source of much pleasure to our citizens, and it would seem that in view of there being nothing on foot in the way of public entertainment, that little difficulty would be met in securing enough subscribers for season tickets to make the lyceum a certainty.

College Insurance Promptly Settled.

Checks amounting to \$85,500 were turned over to the authorities of the Columbia college yesterday, this being a settlement on the insurance on the buildings burned several days ago. The insurance agents, Messrs. C. B. Simmons, Jno. H. Bollin and Jno. C. Lott adjusted the loss on September 20, just 11 days after the fire, and the full settlement was made yesterday, there being no change as a result of the adjustment. While the amount of insurance carried does not by any means cover the loss, still the prompt action of the insurance companies was appreciated by the college authorities.—Columbia State, Tuesday, September 28.

Killed at Hot Supper.

Israel Holman was shot at a hot supper on Mr. J. C. Matthews' place just across the Bamberg county line on last Saturday night by Rush Dukes. Holman was shot by mistake. It seems that Dukes had bought some fish and bread and that another negro reaching over took a part of it. This angered Dukes, and taking a stand behind a tree he shot the one he supposed had wronged him, but which proved to be the wrong man. Dukes was arrested Wednesday and confessed it is said. —Blackville Courier.
