C. R. BRABHAM'S SONS

Our store is one of the oldest business houses in Bamberg, and there is back of us a reputation of many years of honest dealings and satisfactory service. We younger men have a strong reputation to sustain, and we leave it to our many satisfied customers to say how well we have lived up to the principles of the founders of the business. We are conservative and reliable—we never make statements about our goods that cannot be substantiated, and hence we have earned the title of the old reliable house. We do not handle shoddy goods of any kind.
