Mr. Edgar L. Price is now at the cotton oil mill, where he has accepted the position of book-keeper.

The small pox quarantine was raised last week, as it was thought by the authorities that all danger of infection was over.

The small pox scare is about over in Bamberg. Only one case has developed, and numbers of persons and children have been vaccinated.

It is likely that Bamberg lodge, Knights of Pythias, will have a sort of reunion and oyster supper soon. The members are discussing it.

If we can get as many new subscribers and renewals during each month in the year as we have in keep step with the progress along January, we shall be perfectly satisfled.

Dr. H. F. Hoover is now the owner of three automobiles. Last week he bought the E. M. F. car of Mr. Henry Zeigler, who has bought a Hudson roadster.

An interesting meeting of Bamberg lodge, Knights of Pythias, was held last Monday evening, at which the rank of Knight was conferred on Mr. Bissell Beach.

The general assembly has passed the marriage license bill introduced by Senator Carlisle. This is a measure long needed, and we are indeed glad it is to become law.

Our subscribers have certainly been treating us nice recently in the way of renewing promptly. We no doubt have the most loyal subscrib- a broad, liberal spirit permeated his ers of any paper in the State.

Mr. W. M. McCue has moved about two miles above town to a plantation he purchased last year. He has sold his place where he formerly lived to Mr. Barney Johns.

How is the dispensary law going | county. to be enforced, now that the governor has dismissed all the dispensary constables? It is said that the illicit dealers in Charleston are delighted over the governor's action.

Representative J. A. Hunter, of

State Lecturer Holloway.

At the court house last Thursday State Lecturer J. B. O'Neall Holloway, of Newberry, gave a most interesting and instructive address on the principles of the Farmers' Union. Mr. Holloway had been filling appointments in Bamberg county for a week or more, and he concluded his visit with the meeting last Thurs-

day. There was a fairly good crowd present, and it was noted that there was present representative farmers from various sections of the county. Mr. Holloway's address was, as stated, interesting and instructive. He took up the principles of the Farmers' Union and discussed them intelligently and forcefully. He streesed

the fact that the Union stands for education, and in this connection he said that he saw some schol houses in the county that did not reflect credit upon us as a people. Everywhere he saw fine churches, which

was right but that the schools should other lines. He spoke of the great necssity for organization among the farmers. All other business and professions were organized, and while it was exactly right for them

to organize, the farmer should also organize. He had not come to antagonize a single organization. It ness, therefore the necessity for the

great. Mr. Holloway told how the Farmers Union had its inception, and gave an interesting history of the organization from its beginning up to the present time. Those present we

feel sure enjoyed his address, for there was no attempt to array the farmers against any other class, but remarks. There were no appeals to

prejudice, as we have listened to unfortunately in the past from some so-called friends of the farmer, and we feel sure the meeting and address will do much good for the cause of the Farmers Union in this

Business League.

A meeting of the Bamberg business league was held last Friday evening. At this meeting Mr. W. P. Riley resigned as secretary and treas urer on acount of not having the time to devote to the duties of the office. Mr. B. D. Carter was elected to fill the vacancy. A number of matters for the good of Bamberg were discussed and reports had from some of the committees. A special meeting of the league will be held in the city hall Tuesday evening, January 31st, at which every business man in Bamberg should be present. The question to be decided is one of yital importance to this city, and no business man ties. who has the good of the town at heart will be absent from this meeting. There was a very good attendance at the prayer meeting service last Thursday evening. Why not let us keep it up during the year and make our prayer meeting worth while? Dr. Hair gave an interesting account of the laymen's meeting in Columbia.

Good congregations attended both services on Sunday and gave close attention to the sermons. Pastor Frier's theme Sunday morning was: Right Application as Necessary as Right Views of Scripture Truths. His theme at night was: The Social seen from the Career of Jeroboam the first king of the ten tribes of Is-

Chats with the Girls.

A teacher for girls of thirty years' introduced, she always noticed first her dress. If it was plain, neat, and tidy, she was confident she had good material to work with. It showed the girl had an idea of the fitness of things. This argued common sense, which is directly opposed to vanity. The richest girl as well as the poorest, should know how to do at least one thing well. See how the Queen of England is bringing up her daughter. She has begged her father to dictate letters to her, as she wants to be of help to him. She says that when she gets older she will learn stenography. The princess is thrifty, for when only ten years old she savings bank."

I am convinced that girls generally think entirely too much about dress and at entirely too early an age. You see, girls, you can be intemperate as well as the boys.

LIE PASSED IN COURT.

Grace and Mordecai Create Disorderly Scene.

Charleston, Jan. 23 .- A lively wrangle between the lawyers, Messrs. Grace and Mordecai, with the exchange of epithets marked the hearing to-day of the will case of the late Michael C. O'Neill in the probate court, necessitated the adjournment of the court, on acount of the confusion, but not until Sheriff Martin had been sent for to restore order. Capt. Edmund Kemble was on the witness stand on cross-examination. A question of an original paper in the case precipitated a discussion between the attorneys which then became personal between Messrs. Grace and Mordecai. The when the duties of life come, you will be prepared for them. Be thorcase will be called to-morrow mcrning at 10 o'clock.

> Attorney Smith representing Mr. Mordecai asked for the production of one of the original papers in the case in the possession of Mesars. Logan and Grace, attorneys for the Misses O'Neill, bringing the remark from Mr. Grace that he feared to let it leave his custody.

Mr. Smith inquired to know if Mr. Grace meant to infer that he would steal it, which Mr. Grace denied as to Mr. Smith, and when Mr. Mordecal who was at the side of his counsel asked if the attorney referred to him, Mr. Grace said that he did. Mr. Mordecai then called Mr. Grace a liar.

Court Adjourned.

Mr. Grace attempted to reach him and the disturbance occurred which brought about the suspension of the court for the day, with the probate judge sending for the sheriff to restore order.

In an adjoining office and in the corridor of the building the lawyers came together but no blow was passed. According to Mr. Grace he demanded an apology which was refused unless he would retract the charge of theft. Mr. Mordecai suggested "a meeting outside of the State" while Mr. Grace wanted to have a fisticuff settlement. Mr. Morstarted an account in the postoffice decai said that he was not physically able to meet Mr. Grace when Mr.

Grace expressed a willingness to use "hot lead." Serious trouble was however averted.

The matter of holding the election on the question of annexation to Bamberg county by Warren township is now in the hands of the governor. It is believed that all legal requirements have been complied with, as the attorneys in charge of the matter were very careful, and it is thought the election will be ordered soon.

P. B. P. Olar, S. C., January 21, 1911. Fire in Orangeburg.

Orangeburg, Jan. 24 .- The wholesale grocery establishment of Jen-Claude Ware, a negro who lives on nings & Smoak was destroyed by fire last night. The fire was discovered shortly after midnight and upon the arrival of the fire department the building was a mass of flames. Despite hard work on the part of the firemen the building was a total loss.

This large brick warehouse is located on Sellers avenue, in the manufacturing and railroads sections of the city, which is some distance from the business sections. The loss on stock and building is about \$15,000, while the insurance on the building was \$2,000 owned by Dr. W. S. Barton, of Orangeburg county. The fire is thought to have been of incendiary origin.
