Thursday, Nov. 28, 1912.

## SHORT LOCALS.

### Brief Items of Interest Throughout the Town and County.

A large crowd is in town as we go to press to-day (Wednesday) as it is circus day.

The business houses, banks, the postoffice, and depot will be closed to-morrow (Thursday) Thanksgiving day, and business in Bamberg will be generally suspended.

Look at the date on your label and renew your subscription promptly when it expires. We cannot afford to send the paper on credit, as we have to pay our help every Saturday night.

Up to November 23rd there has been weighed by the public cotton weigher at Bamberg 8,190 bales of cotton. The receipts at this point, however, are not expected to go much over 12,000 bales.

The old Spanish swindle is being revived again. Mr. L. C. Price received last week one of the letters, which was mailed at Madrid, Spain. The letter states that the writer is in prison and wants the party he writes to to help him get a fortune of \$330,000, and he will get one-third of it. The fellow asks that a cablegram be sent him, but he will hardly get any replies to his letter from Bamberg.

### Death of L. F. Zeigler.

Mr. L. F. Zeigler, formerly of this county, but who has been living in Greenwood county for the past year, died at his home at Callison last Saturday night, after an illness of only a few days of hemorrhagic fever.

The body was brought here Sunday night, and the burial took place at Bethesda church, near Ehrhardt, at 11 o'clock Monday, Rev. E. A. McDowell conducting the services.

Mr. Zeigler was a son of the late F. M. Zeigler, and leaves a wife and one child, he having married a daughter of the late H. F. Priester. Mr. Zeigler was in charge of the large plantation of Mr. J. A. Spann in Greenwood county at the time of his death. He was 29 years old.

### Hard Fought Case.

Last week when The Herald went to press the case of Robert R. Coney against the Saltkeatchie Lumber Co. was being tried. The case consumed the balance of the week. The jury retired on the case late Friday afternoon, and, failing to agree, a mistrial was ordered at about eleven o'clock Saturday morning. Court was then adjourned, and Judge Wilson left the same afternoon for his home in Manning. He goes to Barnwell this week to hold court there.

The case noted above was one of the largest and hardest fought cases ever heard here. It was a suit for \$50,000 damages for alleged personal injuries sustained by the plaintiff while in the employ of the defendant company as engineer at their large lumber plant near Ulmer. It appears that Mr. Coney climbed a ladder in the mill to hang a belt on a hook and fell therefrom, sustaining serious bodily injuries. The plaintiff contended that the ladder broke, and that the defendant should have provided a secure ladder in order to insure his safety. The defendant contended that the ladder slipped because of the negligence of the plaintiff in not placing it properly, and also that the injuries sustained were not of such serious nature as claimed by plaintiff. The plaintiff was represented by Mayfield & Free, of the local bar; Harley & Best, of Barnwell; and Nelson, Nelson & Gettys, of Columbia; while Carter & Carter, of this city, represented the defendant company.

The case may come up for trial again at the March term of court next year. A number of witnesses were here to testify in the case, among them being Drs. Knowlton and Gibbs, of Columbia, who had examined Mr. Coney while he was under treatment at the hospital of Dr. Knowlton in Columbia, immediately after the accident. Mr. Schofield, of Philadelphia, secretary and treasurer of the company, was here, as was also Mr. David E. Pifer, manager of the mill. Several employees of the mill were also here as witnesses.

### Thanksgiving Services.

Everybody in Bamberg is invited to attend Thanksgiving exercises at the Baptist church Thursday, 7:30 p. m. There will be a special musical programme, besides good speeches on the following subjects:

- No. 2. "Home Blessings"—Dr. J. B. Black.

### Memorial Services to Clyde O'Neal.

The many friends of the late J. Clyde O'Neal will be interested in knowing that the Benevolent and Protective Order of Elks, of which he was a member at the time of his death, will hold a memorial service at the Bijou Theatre Savannah, Ga., on Sunday afternoon, December 1st, at 4 o'clock, to eulogize five of their members who have died within the past year, Mr. O'Neal being one.

The speakers will be Judge Moses Wright, Judge Henry McAlpin, and Capt. Frank P. McIntire, and a special orchestra furnishing appropriate music has been provided for.

The Savannah Press in announcing this service says: "The public memorial services of the Elks to their departed brothers is probably the most impressive service to which the friends of the order are invited. Annually the theatre in which they are given is crowded to its utmost capacity. This is not only true in Savannah, but in every other large city."

### Sues for Loss of Husband's Gayety.

St. Louis, Mo., Nov. 25.—Although John Hensler accepted \$1,500 from the Polar Ice & Fuel Co. for injuries due to a fall into a vat of boiling water, his wife still has a right to sue the company for the loss of his society and the fact that he has lost his enjoyment of any kind of gayety.

This novel point was decided by Judge Muench, who overruled a demurrer filed by the company's lawyers to the wife's suit for \$5,000. The judge declared that the settlement made with the husband did not destroy the wife's right to sue for the privations she suffered. Mrs. Hensler says her husband will not now even attend a moving picture show.

### CHILDREN CRUSHED TO DEATH.

#### Over Fifty Killed in Moving Picture Panic in Spain.

Bilboa, Spain, Nov. 24.—A terrible panic was caused this afternoon by the cry of "fire" at a moving picture show here. About fifty children and others were killed. Only one woman up to a late hour to-night had been found among the dead. The number of injured is not known, as most of them were taken home by friends.

The scene of the accident is a large circus, which had been converted into a continuous cinematograph show. As the price of admission was only two cents the building was crowded to its utmost capacity, for the most part by women and children.

The operator of the machine lost his nerve when a film ignited and screamed "fire." He extinguished the flames himself without difficulty, but the effect of his cry upon the audience was instantaneous.

Police and attendants were powerless to control the panic-stricken people and were swept away by the surging mass, which sought to fight a way to the exit.

Scores were knocked down and trampled and many were crushed to death in the passages from the galleries and to the streets.

The disaster caused frenzied citizens to gather outside the building and the authorities had great difficulty in carrying on the work of rescue and extricating the dead and injured. The manager and other employees have been arrested and are held pending an investigation.

### Augusta Youth Kills Himself.

Augusta, Ga., Nov. 21.—Thomas Farris, 23 years of age, known among his intimates as "Bub," committed suicide at an early hour this morning by shooting himself through the head.

The tragedy occurred at 1216 Market street. It is said the young man was infatuated with a young woman who resides at this house. She had just announced her intention of leaving the city and after endeavoring vainly to prevail upon her not to go he placed a revolver in his breast and fired the fatal shot. Death was instantaneous.

## Sad Death at Olar.

The town of Olar and community were deeply saddened when on last Tuesday night the angel of death came and took from our midst Mrs. Lizzie Smith, the beloved wife of Mr. John Smith.

She leaves to mourn her death a devoted husband, one son, young Dr. Ray, a mother, and many brothers and sisters. On Wednesday afternoon at 4 o'clock the funeral services were held at her old home church, George's Creek, Govan, S. C.

Mrs. Smith had just about reached the age of middle life. She was sick only a few days, and her death was quite a shock to her many relatives and friends. She had been a consistent member of the George's Creek Baptist church for many years. Her Christian influence was felt throughout her community. She was a loving and devoted wife, daughter, sister and friend. We have the blessed Christian hope that she is in the better land.

### Fight Waged Over Tillman Children.

Columbia, Nov. 26.—The petition of Benjamin R. Tillman, Jr., son of Senator B. R. Tillman, asking for the custody of his two little girls, and the return of their mother, Mrs. Lucy Dugas, his divorced wife, were heard by the Supreme court this morning, and the hearing marked the climax of one of the most interesting legal battles ever waged in South Carolina. On motion of the attorneys for the petitioner, in which they asked to make rejoinder to the allegations of Mrs. Dugas that young Tillman was still addicted to drink, the case was adjourned until Monday, December 2, and both sides are permitted to file affidavits and if the court thinks advisable they may order a reference if anything in the affidavits so decide them.

The Supreme court room was crowded when the case was called, many ladies being in attendance. Mrs. Lucy Dugas was present with her two little daughters, Douschka Pickens and Sarah Starke, around whom the battle is raging. The little girls looked very sweet and pretty and were not frightened by their strange surroundings. Grouped around Mrs. Dugas were several ladies from Edgefield and Columbia, long her intimate friends; and directly in front of her sat her counsel, DePass & DePass, of Columbia, and S. McG. Simkins, of Edgefield. Among the ladies present in addition to Mrs. Dugas and her two daughters were Mrs. S. McG. Simkins, Mrs. Wallace W. Sheppard, Mrs. Ettie Brooks Jones, Mrs. F. W. P. Butler, Mrs. H. W. Richardson.

### Girl Arrested by Postal Officials.

Asheville, Nov. 23.—Ella Wheeler, an eighteen-year-old girl of this city, faces a rather serious charge, having been arrested yesterday morning by postal authorities, charged with a violation of the postal laws by opening a letter from W. A. Sharpe to Anna Milligan, for the purpose of "prying into the secrets of" Sharpe. Before United States Commissioner R. S. McCall she gave bond in the sum of \$250 for her appearance in his court Friday afternoon for trial.

The defendant, it is said, was spending some time at Greenville, S. C., during the month of February last, and was a guest at the same boarding house at which Sharpe stayed. At the time that she was there, it is charged, Sharpe wrote a letter to Miss Milligan, at Knoxville, Tenn. The letter was not received by the person to whom it was addressed and was returned to Sharpe, at Greenville, a return address having been placed on the envelope. Upon its return to the boarding house, it is alleged, Miss Wheeler opened it and read it in the presence of other girls who were there at the time. It is said that she contends that the other girls persuaded her to open the letter.

Since February, the postal authorities at Greenville have been at work on the case and a few days ago they asked that the arrest be made by Asheville officials. Several witnesses from Greenville have been summoned to appear in connection with the case, and the hearing promises to be a very interesting one.

Miss Wheeler is a native of this county, having been reared in the Big Ivy section. She moved to Asheville a short time ago and bears a good reputation. She was greatly surprised when the warrant was served on her and was embarrassed to a considerable extent when she was called upon to furnish bond in the court of the United States commissioner.

Secretary of State McCown has issued an order for the presidential electors named by the Democratic party in South Carolina to meet in Columbia on January 13, when the vote will be cast for Woodrow Wilson for president of the United States.

## WOLVES IN SHEEP'S CLOTHING.

### Pickpockets Pose as Delegates to Conference—Rob Ministers.

Carrollton, Ga., Nov. 23.—Pickpockets, posing as delegates to the North Georgia conference of the Methodist Episcopal Church, South, here, have been robbing ministers attending the conference, according to announcement made to-day. Dr. Julius McGath, of Oxford, a missionary to the Hebrews, to-day was relieved of a wallet containing \$20, and several other thefts have been reported. At an extra session of the conference this afternoon all the ministers were warned to be on the lookout for the pickpockets.

### Auto Party Shot.

Erie, Nov. 22.—William H. Forster, his wife and their chauffeur, Geo. Keller, were riddled with shot while en route to the Forster summer home west of the city.

The Forsters are in a critical condition at a hospital. Keller will recover and their alleged assailant, Lloyd Pastorious, is a prisoner at police headquarters.

With his wife, he started for their summer home, fifteen miles west of the city, at 2 o'clock this afternoon. At Walnut creek bridge at the summer home the large touring car came upon a hunter, said to have been Pastorious. In the roadway, as they passed him, the hunter's dog darted in front of the machine and was crushed.

The enraged hunter is alleged to have raised his 12-gauge shotgun and fired both barrels into the back of the auto. Mrs. Forster had just turned to look out the mica window in the rear curtain and her head and neck were riddled with small shot. Forster was almost as badly hurt.

The chauffeur, bleeding from many wounds, jumped from the car and started for the hunter, who held him off with the gun and then escaped to the woods. The posse was formed and while they scoured the scene of the shooting, Pastorious, who is a city milk peddler, made his way to the city and gave himself up. Mrs. Forster cannot recover and Forster is in a dangerous condition.

### Starved for Big Funeral.

Atlanta, Nov. 21.—That she starved herself to death in order that she might have money for an elaborate funeral, was the verdict in the investigation of the death of Mrs. Anna Tried, the aged woman, who was found dying in a vacant house, and who later expired at the hospital.

It was discovered that she had several hundred dollars, which she had saved at the expense of her vitality, not spending even enough, as the culmination showed, to keep body and soul together.

But she had her wish. The whole of the \$500 was expended in the purchase of a handsome casket with silver handles, the purchase of flowers to decorate the grave, and an elaborate funeral.

### FRAIL, SICKLY CHILD

Restored to Health by Vinol—Letter to Mothers.

Anxious mothers often wonder why their children are so pale, thin and nervous and have so little appetite. For the benefit of such mothers in this vicinity we publish the following letter.

J. Edmund Miller, New Haven, Conn., says: "My little daughter, ever since her birth, had been frail and sickly, and was a constant source of worry. Several months ago we commenced to give her Vinol. I immediately noted an improvement in her health and appearance. I gave her three bottles of Vinol, and from the good it has done her I can truly say it will do all you claim."

This child's recovery was due to the combined action of the medicinal elements extracted from cods' livers, combined with the blood-making and strength-creating properties of tonic iron, which are contained in Vinol.

Vinol will build up and strengthen delicate children, old people and the weak, run-down and debilitated. We return the money in every case where it fails.
