SIDNA ALLEN GETS 35 YEARS. Wesley Edwards Will Spend 27 Years | Young Express Messenger Tells How in Prison.

Wytheville, Va., Dec. 11.—Final settlement of all the cases resulting from the killing of five persons in the Hillsville, Va., court house by the Allen clan on March 14, last, was reached here this afternoon when Sidna Allen pleaded guilty to second degree murder for killing Sheriff Webb, and Wesley Edwards pleaded guilty to Melvin. three charges pending against him.

Thirty-five years in the penitentiary is the penalty Sidna Allen will pay. Allen's nephew, Wesley Edwards, will spend twenty-seven years in the penitentiary.

These two sentences were the result of a compromise this afternoon, following a verdict of voluntary manslaughter in the case of Sidna Allen for the murder of Commonwealth's Attorney William M. Foster, the jury fixing the penalty in that case at five years' imprisonment.

Compromises Agreed Upon.

Allen already had been found guilty of second degree murder at a former trial for the killing of Judge Massie, for which he had been sentenced to fifteen years in the penitentiary, and the other indictment pending against him, for the murder of Sheriff Webb, was compromised by letting him plead guilty to second degree murder and take a fifteenyear sentence, the combined sentences making thirty-five years.

Three indictments against Wesley Edwards also were compromised, he taking a sentence of nine years' imprisonment on each.

In the second trial of Sidna Allen, which ended to-day, nine of the jurors on the first ballot stod for acquittal and the other three for murder in the second degree.

Views of Jurors.

Following their discharge the jurors, in an interview, declared that not one of them thought the evidence presented by the State was sufficiently strong to sustain the charge of conspiracy.

This ends, as far as the courts are concerned, a tragedy which was without parallel and which stirred the country from one end to the other. On the 14th of last March, following the conviction of Floyd Allen, of an offence which would have sent him to the penitentiary for one year, members of the Allen family, clannish mountaineers, opened fire in the court house on the court officials. At the first volley Judge Thornton L. Massie fell mortally wounded and when the smoke cleared away Sheriff Webb and Commonwealth's Attorney Foster were found dead. On the following day one of the three jurors who were shot died of his wounds, as did also Miss Bettie Ayres, who had been a witness against Floyd Allen.

All Finally Caught.

Floyd Allen was arrested on the day following the tragedy, being too badly wounded to escape. The arrest of the others implicated in the shooting followed at various intervals, the two men whose fate was decided to-day having been the last

victed of complicity in the shooting, two-Floyd Allen and his son, Claude-are under sentence of death, while the four others-Sidna and Friel Allen, and Wesley and Sidna Edwards-have each been given long terms in the penitentiary. Victor Allen, a son of Floyd, was acquitted, and Byrd Marion was discharged because of lack of evidence against him.

Father and Son Again Respited.

Richmond, Va., Dec. 11.-On the statement of attorneys for Floyd Allen and Claude Swanson Allen, that newly discovered evidence is sufficient to make the granting of a new trial by the supreme court probable, Gov. Mann this afternoon granted a respite to the two men until January 17. They were to have died in the electric chair Friday, of this week, for their part in the Hillsville murders of March 14, when Judge T. L. Massie, Commonwealth's Attorney W. M. Foster, Sheriff L. F. Webb, Juror Augustus Fowler and fired. Miss Bettie Ayers were killed.

The governor did not express an opinion as to the new evidence, but required the attorneys to sign a paper stating that they believed it to be material. An application will now be made to the supreme court for a rehearing on the petition for a writ

He Stole \$20,145.

Bakersfield, Cal., Dec. 15 .- Marvin W. Hamby, the 22-year-old express messenger, whose car on the Sunset Western train of the Santa Fe Railroad was robbed of \$20,145 in gold near here last week, confessed today that he had robbed the safe with the aid of his 16-year-old brother,

The money which had been hidden by the boys in a brickyard at Kern Junction was recovered with the ex- of Nancy Dowling vs. Rosa Watson, ception of \$300 which was found in Melvin's room. Both brothers are in

Monday night. After telling a story of an attack by two bandits who had laid him unconscious with a blow on the head, the young messenger was taken to a hospital at Taft, Cal., where he shammed injury so successfully that not until yesterday was he seriously suspected. Then he was brought back here and to-day was subjected to a "third degree" for five hours by railroad and express detect-

threw his hands over his head and

"Oh, I did it myself."

Then he told where the money was buried, how he had conceived the plan of the robbery and how he had carried it out.

In his confession Marvin shouldered the entire responsibility for the theft, declaring that although Melvin had taken the bags of gold when he had thrown them from the train and buried them, the younger lad did everything under his instructions. "I knew my car was to carry a heavy cash, in front of the court house at shipment of gold to the National Bank of Taft about the 10th of the month," said Hamby. "So I posted Melvin at Kern Junction with instructions to have a lantern and shovel. As we passed Kern Junction, three miles from Bakersfield, I heaved off the bags of gold.

a trunk to make people believe I had been hit there by a bandit, and just before the train pulled into Taft, I bound myself hand and foot and rooted my head under a pile of mail sacks. I was lying like that when railroad men and a constable at Taft came into the car."

The two boys agreed that they December 12th, 1912. would let the money lie buried until excitement had abated and the man hunt, which was immediately instituted by county, city and railroad authorities, had been given up.

Hamby had been express messenger on the Sunset Western run nearly
