McDuffie county has a mighty fine name. It is to be hoped that the name.

A good beginning for the new county commission, it seems to us. would be the liberal use of the road drags throughout the county. The recent rains have made many of the roads bad. The road drags after these rains would smoothe the surface of the roads and do wonderfu! good.

It strikes us that city council has before it a serious question in the matter of an adequate water supply for the town. The present arrangement is about the most unsatisfactory that could be imagined. The city can hardly be expected to offer inviting opportunities to strangers until a more satisfactory water supply is installed.

We have known the editor of the Gaffney Ledger for a long time, and, naturally, have a high regard for him. Famous Tribute of Senator Vest to So, before Christmas, we racked our editorial brain considerably trying to hand him a bouquet for a Christmas
