MADE FOR YOU.

The Progressive Farmer is made to cover conditions as they are in the South. Yes, sir—made for you—and if you will read and heed its teachings you will raise more cotton per acre, more corn per acre, more and better livestock, and make a money producing factory out of your farm.

MADE FOR YOUR WIFE.

The Progressive Farmer has the strongest, most practical household department of any agricultural paper in the South. Its many features make a special appeal to our women readers and help them as it does the men.

MADE FOR YOUR CHILDREN.

The Progressive Farmer has a regular department for farm boys and girls, and a serial story for both young and old. In fact it is a paper for every member of the family.

THE BEST TWO FOR ALL THE FAMILY—BOTH LEADERS IN THEIR LINE.

THE HOUSEWIFE.

We are happy indeed to introduce and to be able to make a clubbing arrangement that will enable our readers to have The Housewife the coming year.

The stories are high class in every way—stories that will appeal to and please you, many with gripping excitement and interest-holding qualities.

Particular attention is given by The Housewife to seasonable, sensible cooking, household hints, and matters of particular interest to mother and child.

The Housewife is a large, well printed magazine; subscription price 50c per year. It is only because the publishers are anxious to develop their subscription list in the South that we have been able to secure a rate on these subscriptions that enable us to include it in this year's clubbing offers with The Progressive Farmer. We know you will be highly pleased if you decide to take the club, including The Housewife.
