If you have decided upon the style that you prefer, rest assured that you will find the greatest variety here; or if you haven't any definite plans in regard to your Easter apparel, it is best to come to Hooton's, where the assortments in each department are thoroughly complete, and where you are sure to find the most approved fashions. For, as you know, many things are shown here that are never shown at other places. Come and let us please you as we have done for hundreds of others. We are anxious for you to see the many new things we have

We mention in this space only a few of the many things we have to show you, and at prices that we are positive are correct, as they were bought before the advance

### Exclusive Suits

In stunning Easter styles, the newest in material and workmanship. We have them from \$8.00 to \$22.50. These suits you will find here in Palm Beach, cool cloth, taffeta, and wool. In other words, come here for a suit and you will have something to select from.

### Our Millinery Department

Has proven its value to you, and hundreds of others, by the work and new ideas that find their first introduction here. Miss Rutledge and Miss Ackerman are continually working to please you, whether you are here or at home, for when you come they want to show you something new and different. We have many things to show you that have arrived since you were here last.

**SHAPES**—We have many new ones for your inspection. Some arrived the last of last week, some today, and others still to come. You will find an assortment here as large as we were showing early, for the girls and ladies want something different, and we have it.

**RIBBONS**—It is true they are scarce, but that doesn't matter with us. We got in at the correct time, and are showing the most complete line we have ever shown, and at the old prices.

**CHIFFONS**—Do you need any material of this kind, and have failed to find the shade? Then come here and you will get it, at the same old price.

**FEATHERS AND FLOWERS** are growing more popular each day, and we have an assortment that you will be pleased to see. Come and let us show you what we have.

**TRIMMED HATS**—In addition to shapes, flowers, feathers and trimmings of all kinds, we show the most complete line of trimmed hats to be seen. You will find the prices in accordance with the goods you select. Of course the nice goods are more expensive than the cheap kind.

### Our Line of Shirt Waists

Is the most complete we have ever shown, we have them from No. 36 up to the large sizes, and a waist for any kind of occasion, from plain waist to the nicest crepe de chene.

**WHITE WASH WAISTS**—In new styles and materials, at \$1.00 and \$1.25, in all sizes. It will be worth your while to see these.

White Wash Marquissette waists in plaids and stripes, all sizes, at \$1.25. We can fit you, for we have a line.

Wash silk waist in stripes and white. These you will find reasonably priced, for we bought them before the advance in silks.

Do you know we are showing the most complete line of wash skirts in this section? Come and let us prove it. We have them up to 30 waist. The skirts are in gabardine and corduroy, as well as velvet corduroy, from \$1.50 to \$5.00.

See our black and navy wool skirts. Prices \$5.00 and \$7.00.

**MUSLIN UNDERWEAR**—In this department we have any kind of garment that you will need during the season, and then the prices are correct. Why sew when you have a department of this kind here at your disposal? If you are needing anything in this line let us show you.

### UNITED STATES GEMS.

Total Value Mined Since 1880 Placed at \$8,159,971.

The total value of the precious stones produced in the United States from 1880 to 1914 is placed by the geological survey at \$8,159,971. In recent years the mining of sapphire in Montana has developed into an industry of some importance and the production for 1913 has been estimated at \$238,635. Turquoise, with a total product of about \$2,000,000, reached a year's output of \$175,000 in 1892, and of \$179,000 in 1909, when more than 17 tons of turquoise and matrix was mined in New Mexico, Arizona, California, and Nevada. Tourmaline has been mined intermittently in Maine for many years and is also obtained in California and Connecticut. Since 1906 small diamonds to the number of 3,000 have been found in Arkansas. Among other gem and ornamental stones obtained, usually from more or less accidental finds, have been topaz, ruby, emerald, aquamarine, beryl, garnet, opal, chrysophase, quartz crystals, amethyst, rose quartz, agate, jasper, peridot, amazon stone, rhodinite, malachite, variscite and hiddenite. New gems include kumzite, californite and benitoite, all from California.

### Flowers for the Minister.

Church service was over, and three prominent members of the congregation walked home together, discussing the sermon.

"I tell you," said the first, enthusiastically, "Dr. Blank can certainly dive deeper into the truth than any preacher I ever heard."

"Y-e-s," said the second man, "and he can stay under longer." "Yes," said the third, "and come up dryer."
