GOOD-BY, DOLLAR

EVERY dollar you send out of town flies away with a value that rightfully belongs to your community. Spend it at home, with your home merchant, where its value stays with you and helps to build up your interests. When you come to think of it, there are only two kinds of dollars—the "Dollar with Wings" and the "Development Dollar." The "Dollar with Wings" goes to build up the Far Distant City, the Big Metropolis, with its vice and crime and low wages and poverty. The "Development Dollar" goes to build up the Home Town. It helps build up a nation of real men and women. Then, let us make the dollars we spend "Development Dollars," home-town builders, building for us and our neighbors and our children, making our community more prosperous, more happy, more contented.
