### LET'S BRING DOWN THE DOLLARS THAT ARE FLYING AWAY FROM US

Is there any way to stop this fight? How many communities are making an effort to check this stampede of money that flies out of their home town. What is our community doing? What would all this money mean to you and me, if it were spent with our own business men? The picture is no dream or fancy. The artist has simply brought home to us the hard facts. Let us face them as they are. The group of men with rifles provides the right action for us. Let us organize to stop this fight. Let each one of us remember this: That home values increase in proportion as we spend our money at home. That home values disappear with every dollar sent away.

### FLYER DIES IN FRANCE. Young Carolinian, Aviator for French Army, Loses Life.

Winston-Salem, N. C., Sept. 23.—Kiffen Yates Rockwell, formerly of Asheville and Atlanta, who has been serving with the French aero corps on the western battle front, was killed this morning in a fight with a German aircraft. Announcement of his death was contained in a cablegram from Paris received here late today by his mother, Mrs. L. A. Rockwell, of this city.

The message announcing the aviator's death came from a friend of the family in Paris and read as follows: "Kiffen killed this morning in aerial battle in Alsace."

Young Rockwell served at Verdun during the long months of fighting there and succeeded in bringing down four German aeroplanes unassisted. For this feat he recently received a war cross and military medal from the hands of Gen. Joffre, who referred to him as "a bold and courageous pilot." He had been mentioned frequently for bravery in official reports.

Mrs. Rockwell received a letter from her son only a few hours before the cablegram came telling her of his

death. In the letter he said that he had been granted a leave of absence of eight days and had spent it in Paris with his brother, Paul Rockwell, who had been severely wounded earlier in the war and discharged from the French army. On the day that the letter was mailed in Paris, Rockwell left for the front. He wrote that he had been transferred from Verdun to a more active sector.

When the war began Kiffen Rockwell was connected with an advertising agency in Atlanta. With his brother Paul, who was a reporter on the Atlanta Constitution, he went to France. They enlisted in the foreign legion and began service on September 30, 1914. Paul later was wounded, but Kiffen remained with the legion until it was wiped out after seven months of fighting in the trenches. He then asked for a transfer to the aero corps and began training. In the meantime his brother had decided to remain in Paris and he began as a special correspondent there for several American newspapers, which he now is serving.

Kiffen Rockwell was born on September 20, 1892, at Newport, Tenn. His father was a Baptist minister of North Carolina. His mother was Miss Lula Ayers, a member of a

### Net Income.

What the case was about no one seemed to know exactly. The lawyers themselves were pretty well mixed up.

Then an important witness entered the box and was presently asked to tell the court the total of his gross income.

He refused; the counsel appealed to the judge.

"You must answer the question," said the judge sternly.

The witness fidgeted about and then burst out with:

"But—but, your honor, I have no gross income. I'm a fisherman and it's all net."

prominent South Carolina family. Rockwell's father died when the boy was two years old and later Mrs. Rockwell moved with her two sons to Asheville, N. C., where they lived for many years. Kiffen Rockwell was a graduate of Washington & Lee university and also attended the Virginia Military institute for a time.
