#### The Reasons for the Club

- To provide a way for those of moderate and even small means to bank their money.
- To teach "the saving habit" to those who have never learned it.
- It makes your pennies, nickles and dimes, often foolishly spent grow into dollars; dollars grow into a fortune. Start your fortune today.
- To give you a Bank connection and show you how our Bank can be of service to you.

**For Old and Young** The sensible thing for all parents to do is to join our Christmas Banking Club and also put every member of their family into it. This will teach them the value of money and how to bank and HAVE MONEY. Maybe this little start you give them now may some day set them up in business or buy them a home.  
 How often have you wished that your parents had taught you early the value of banking your money. You would be well-off today. Don't make the same mistake with YOUR children.

### The Bamberg Herald

ESTABLISHED APRIL, 1891.  
 Thursday, Nov. 23, 1916.

The number 13 certainly must be President Wilson's good omen, as well as being a bad one for his opponent in the recent election. Mr. Hughes was the thirteenth man to vote at his box on election day, and California's thirteen electoral votes turned the tide of the election in President Wilson's favor. The words "Woodrow Wilson" contain just thirteen letters, and by giving Mr. Hughes only one given name, the same style as the president wears his, "Charles Hughes," contains thirteen letters.

Section 512 of the penal code of South Carolina says that "It shall be unlawful for any person, firm or corporation in this State to sell, keep for sale or offer for sale or give away any toy pistol in which caps or cartridges are used, or any caps or cartridges for such pistols used. Every firm or corporation violating the provisions of this section shall, upon conviction, be fined not exceeding \$100 or imprisoned, in case of an individual, for a term not to exceed 30 days." This act was passed in 1903.—Columbia Record.  
 We don't know whether this law is being violated in Bamberg or not, but in times past we have seen cap pistols in plentiful evidence. Every year, during Christmas times, many lives are lost all over the country from playing with cap pistols. We hope none will be on sale in Bamberg this year. Powder burns from cap pistols frequently cause tetanus to set in, and, in most cases, this proves fatal. The law is a good one and should be enforced to the letter.

It's easy for a man to get married if he doesn't want to.

#### Guardsmen Well Drilled.

Washington, Nov. 19.—In well informed quarters here the impression is that as a general thing the State troops which are held longest on the Mexican border are those which are most in need of training.  
 This is interesting and gratifying in connection with complaints which are being made to the war department that the South Carolina troops included in the return order of a few days ago were being sent home ahead of troops from elsewhere which had been on the border longer.  
 The circumstances testify eloquently to the efficiency of the Palmetto State soldiers.  
 Some people think anything tiresome that is a duty.

#### BLACK DRUG COLANDS BIG DEAL

Just as we have gotten the best of everything going, we are proud to announce to our friends the fact that we are still doing so. The Premier Tonic, Mrs. Joe Person's Remedy, referred to in last week's paper, was brought to our city by Mr. R. W. Rhodes and we wish to say that we have secured the controlling sale on these goods. We wish to tell the people of Bamberg, who may be interested in this great remedy that it is for sale in our drug store and in our store alone for this and surrounding territory. It affords us great pleasure to boast of the fact that we control this remedy as we have every reason to believe that it will become the remedy of the times, for in the territory in which it originated for thirty-two years it has been looked upon as a God-send to suffering humanity. However, like every other line which has met with phenomenal success and gained somewhat of an enviable reputation, it

too will be criticized by some of our chronic critics, and while some may criticize and scientists may theorize, investigation from a higher source of authority and research of chemistry show that those that have an absolute knowledge of material medicines have endorsed it as being the best balanced prescription on the market for the treatment of the blood and organs of the stomach. We therefore recommend it as a tonic to any of our customers who may be suffering from nervous indigestion, chronic malaria, rheumatism, and other diseases arising from an impure blood or inactive stomach, feeling sure that they will get the same results that thousands of other good people have told us that they have experienced. During Mr. Rhodes' special advertising campaign for us, we will offer Mrs. Joe Person's Remedy at \$1.00 per bottle, three bottles for \$2.50 and six bottles for \$5.00. Mail orders will receive prompt attention. We stand all charges. Black's Drug Store, Bamberg, S. C.
