THE COMMUNITY BURDEN

WHAT are you and I doing to lighten our Community's Burden? Are we piling on the back of our Community indifference and neglect? Are we holding back our patronage? If so, we are adding to the Burden. We are making it heavy. But if we are generously giving our Community our loyal support, then we are doing our share in making the Burden light. We can so direct our thoughts, words and actions as to lighten the Load. Don't break the back of your own community. Do what you can to lighten the load.

True Enough.

An Arkansas stock raiser was showing his friend from the North the splendid plantation which he owned.

After they had returned to the house and were sitting on the veranda puffing contentedly on their cigars, the northerner said:

"Instead of letting those razorback hogs run wild as you do, why don't you put them in a pen and feed them some of the corn you raise? Don't you think they'd get fat much quicker?"

"They might," replied the planter; "but what is time to a hog?"—Chicago Herald.

Free Trip.

"The best thing about this trip," said the retired merchant as he lay back luxuriously in the comfortable chair on the porch of a \$10 a day hotel, "is that it is not costing me a cent!"

"How's that?" asked an envious spectator.

"It's all coming out of my heirs," said the man, smiling happily.—New York World.
