

The Bamberg Herald

ESTABLISHED APRIL, 1891.

Thursday, June 7, 1917.

In its issue of June 4 the Charleston American contained an article in which it was stated that the two regiments of national guard in this State were short 1,623 men; in other words the two regiments contain only 1,724 men, just a little over half as many as required. On the same page of the same paper of the same issue there appeared another article severely criticising Governor Manning for not allowing a third regiment to be organized. Which goes to show what sort of arguments are resorted to by the "reformers." Almost as many men are needed to fill the ranks of the two existing units as would be required to form a new regiment.

The Herald is printed this week under some difficulty. The floor of The Herald building has been giving away for some time, and Monday Contractor Nichols began the work of replacing the wooden floor with concrete. This necessitates the moving of the machinery to one side of the building, putting down the floor on the vacant side, and then moving back and doing the other side. All of which confuses the office pretty thoroughly. The Book Store has had to practically suspend business for a few days, but, of course, The Herald will be printed as usual, although it may perhaps be abbreviated this week and next. With a new concrete floor, we do not anticipate any further floor troubles. We trust our friends will overlook all our shortcomings this week and next week, after which we promise the same good newspaper they are accustomed to receive every week.

Red Cross for Bamberg.

A Red Cross chapter was organized at a meeting held here Thursday, presided over by the Hon. B. D. Carter, who, after making a few preliminary remarks, introduced Dr. Vance Brabham, of Orangeburg, who made a very instructive talk on Red Cross work, also telling how to proceed in the matter of organization. A committee was appointed to nominate the officers of the chapter, who were afterwards elected, as follows: The Rev. E. Olin Watson, chairman; A. B. Utsey, vice chairman; Miss Mary Livingston, secretary; Miss Franke Folk, treasurer; Mrs. G. Frank Bamberg, membership committee; Mrs. E. O. Kirsch, transportation committee; Mrs. W. D. Rhoad, supply committee; Mrs. A. W. Knight, cooperation committee, and Mrs. A. M. Brabham, finance committee.

It was decided to apply to Prof. Snively, of Atlanta, Southern division, for a permit to secure a chapter. The chairman will call a meeting of the chapter as soon as he hears from Prof. Snively. Mrs. Vance Brabham made a talk full of useful information regarding Red Cross work.

Hurts Prove Fatal.

Willard Robertson, private in company F, Spartanburg, died at the Baptist hospital Friday afternoon. Death was due to injuries received two weeks ago when the young man was struck by a Seaboard Air Line train while doing patrol duty. The skull was fractured and the young man was unconscious several days after the accident. He was from Arcadia, Spartanburg county, where he was employed in one of the cotton mills of that community. He was about 21 years old.—The State.

A UNIQUE RECORD

Very Few Like It In Our Broad Republic.

Home testimony for Doan's Kidney Pills, published in every locality, is of itself convincing evidence of merit. Confirmed testimony forms still stronger evidence. Years ago, a citizen of Bamberg gratefully acknowledged the benefit derived from Doan's Kidney Pills. The statement is now confirmed—the proof more convincing. Cases of this kind are plentiful in the work of Doan's Kidney Pills—the record is unique.

Thos. H. White, Main St., Bamberg, says "I suffered from weak kidneys for several years. My kidneys sometimes pained me and I had a very frequent desire to pass the kidney secretions and had to get up often during the night. Since I began using Doan's Kidney Pills, I am much better. I seldom have to get up during the night and my kidneys are stronger." (Statement given January 25, 1908.)

On February 22, 1915 Mr. White said: "I still hold a high opinion of Doan's Kidney Pills. I haven't taken them for a long time but if I ever have occasion to, I will use them as I know they have no equal."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. White has twice publicly recommended. Foster-Milburn Co., Props. Buffalo, N. Y.

WHAT IS LAX-FOS

LAX-FOS IS AN IMPROVED CASCARA A DIGESTIVE LAXATIVE CATHARTIC AND LIVER TONIC

LAX-FOS is not a Secret or Patent Medicine but is composed of the following old-fashioned roots and herbs:

CASCARA BARK
BLUE FLAG ROOT
RHUBARB ROOT
BLACK ROOT
MAY APPLE ROOT
SENNA LEAVES
AND PEPSIN

In LAX-FOS the CASCARA is improved by the addition of these digestive ingredients making it better than ordinary CASCARA, and thus the combination acts not only as a stimulating laxative and cathartic but also as a digestive and liver tonic. Syrup laxatives are weak, but LAX-FOS combines strength with palatable, aromatic taste and does not gripe or disturb the stomach. One bottle will prove LAX-FOS is invaluable for Constipation, Indigestion or Torpid Liver. Price 50c.

The Quinine That Does Not Affect The Head Because of its tonic and laxative effect, LAXATIVE BROMO QUININE is better than ordinary Quinine and does not cause nervousness or ringing in head. Remember the full name and look for the signature of R. W. GROVE. 25c.
