Why Suffer?

Mrs. J. A. Cox, of Alderson, W. Va., writes: "My daughter... suffered terribly. She could not turn in bed... the doctors gave her up, and we brought her home to die. She had suffered so much at... time. Having heard of Cardui, we got it for her."

CARDUI

The Woman's Tonic

"In a few days, she began to improve," Mrs. Cox continues, "and had no trouble at... Cardui cured her, and we sing its praises everywhere. We receive many thousands of similar letters every year, telling of the good Cardui has done for women who suffer from complaints so common to their sex. It should do you good, too."

PERHAPS HE MAY DIE

You have named as your Executor a friend. He is familiar with your affairs. You trust him. Suppose, however, he should die shortly after you and before your Estate is settled up. Wouldn't it throw your affairs into confusion? The Court would appoint an Administrator de bonis non cum testamento annexo—and he wouldn't know any more about your affairs and how your Estate should be managed than the average layman knows about the meaning of these words. Name us as your Executor and you eliminate this "perhaps." We are a responsible corporation and do not die.
