Volume 27. No. 36.

Thursday, Sept. 12, 1918.

For the first time Bamberg county has watched the employment of the Australian ballot system, which was used in all the incorporated towns, namely: Bamberg, Ehrhardt, Olar, Govan and Denmark. Being new to the managers there was some confusion until things got started off, and the system is considerably slower than the old system. However, the results of the experiment were gratifying, indeed. Bamberg county has always, we believe, been free from election frauds, and comparatively free from all irregularities, so the new balloting system had no effect whatever on the results in this county. The fairness of the new system, however, commends it, and in the interest of honest elections we think the Australian ballot a decided success. It eliminates any possibility, where employed, of any wholesale frauds, and in this way creates an atmosphere of confidence in the primary elections which will be wholesome to the State at large.

The Herald desires to call the attention of its subscribers to the new ruling of the war industries board, which requires all subscriptions to newspapers to be paid in advance. On October 1, due notice having been given, we will discontinue all subscriptions not paid for in advance. You will carefully examine your label, and be guided accordingly. This is government business, and if you ask us to send you the paper without paying for it in advance, you will be asking us to disregard the orders of the United States government. So please save us the embarrassment of declining such requests. You will also please bear in mind that after October 1, the price of The Herald will be \$2.00 per year. You may either subscribe for The Herald or renew your subscription before October 1 at the present rate of \$1.50 a year, and you are allowed the privilege of paying for two years in advance at this rate if you so desire. After October 1 positively no subscriptions will be accepted, new or re-

Greenville, Sept. 8.—Miss Mamie Lucile Davis, of Liberty, aged 20, was instantly killed, Charles Stillwell, of Columbia, was seriously injured and Miss Bernice Parsons, of Liberty, 18 years old, was slightly injured near Liberty this afternoon by being struck by Southern passenger train No. 38, running between Atlanta and the North.

body of Miss Davis were brought to this city on No. 38, the former being rushed to a local hospital and the latter taken to an undertaking establishment here. Reports from the hospital tonight indicate that Mr. Stillwell's chances for recovery are slight. He is suffering from a fractured leg and cut about the head. Miss Parsons is reported as only slightly injured.

Miss Davis, Mr. Stillwell and Miss Parsons were members of a party of young people who were on a Sunday afternoon stroll walking in the direction of Greenville. About a mile from

Liberty they stepped from one part of the double track to the other to allow a freight train to pass and in so doing placed themselves directly in front of the fast moving passenger train, whose approach they could not hear on account of the noise made by the freight. All the parties are well known and prominently connected in this section.

Mr. Stillwell had come up from Columbia to visit an uncle in Liberty.
