

QUOTAS FIXED FOR FALL Y. M. C. A. DRIVE

National Goal of \$112,000,000 Includes \$15,000,000 For War Work Of Y. W. C. A.—Southeast Asked For \$5,000,000

The quotas for the seven states of the Southeastern Department for the next financial drive of the National War Work Council of the Y. M. C. A. for \$112,000,000, which will take place late in the fall were decided upon last week by delegates from each of the states. Seven hundred delegates from the seven states of the Southeastern Department recently met with the nation's leading Y. M. C. A. workers at the Capital City Club of Atlanta, Ga.

The quotas for the Southeastern states, totaling approximately \$5,000,000, were decided upon as follows:

Florida, \$577,584; Georgia, \$1,043,784; Mississippi, \$280,000; North Carolina, \$680,288; South Carolina, \$844,896; Tennessee, \$1,095,920; Alabama, \$504,000.

\$15,000,000 to the Y. W. C. A.

Of the total amount \$15,000,000 will be turned over to the Young Women's Christian Association in order that they may carry on the many war activities that they have undertaken.

Every town and community of the Southeast was represented by its leading citizens at the conference. Chief among the international figures were Dr. John R. Mott, General Secretary of the National War Work Council, Geo. W. Perkins, former leader of the Bull Moose party, a member of the executive board of the United States Steel Corporation and now chairman of the Army and Navy Y. M. C. A. bureau of finance. Others in the party were A. H. Whitford and Chas. S. Ward, directors of the national campaign, and A. M. Cotton of the Boys' Earn and Give Campaign.

The "Y" Men Are To Be Found Where Battle Is Hot

"If you want to know what the Y. M. C. A. means to the soldiers, go where the fighting is hot," is the regular reply of the American soldiers in France, according to a cablegram received recently by the National War Work Council telling of more secretaries who have been under liquid fire attacks, as well as gas and shell fire. The American Expeditionary officers have sent scores of letters to the Paris headquarters of the "Y" praising the work of the Red Triangle workers, declaring them to be indispensable.

More than a thousand "Y" secretaries are in advanced positions and dugouts under constant shell fire. There are no quitters and they refuse to be relieved, saying that where the troops go the Y. M. C. A. will stick.

Our Mr. W. P. Jones is now in the West, where he went to purchase three carloads of mules and horses, which will begin to arrive next Monday, Sept. 16th. All who contemplate purchasing will do well to wait and see these fine animals.—adv.

THREE WAR MEDALS BESTOWED ON "Y" HERO

Red Triangle Worker Wounded by Hun Machine Gun at Soissons, Toul and Chateau Thierry

New York, August 25.—Flat on his back in the Waldorf-Astoria hotel, W. A. Roberts, who has been awarded three French war medals for bravery in the fighting zones, is enjoying a well-earned rest, and is talking freely of almost anything but why the French government showered honors upon him.

Mr. Roberts, a Y. M. C. A. worker in France, had bestowed upon him the Croix de Guerre, the badge of the Legion of Honor, and the Medal Militaire. He won them all in three months.

Roberts was assistant auditor of the Michigan Central railroad before he was selected to be auditor of disbursements for the Y. M. C. A. in France, and to handle more than a quarter of a million dollars a day. He left for overseas service February 12, was wounded by a Hun machine gun at Soissons, rescued a "Y" secretary amid a hail of bullets in the Toul sector and was touched up by German marksmanship again at Chateau Thierry.

Y. M. C. A. NEEDS MEN IN SOUTHERN CAMPS

While Red Triangle Continues to Call for Overseas Workers, 1,000 Are Wanted for Home Service

Atlanta, Ga., August 25.—Men endowed with the element of leadership are needed by the Army and Navy Y. M. C. A. to serve in the camps of the Southeast.

Dr. W. W. Alexander, general recruiting secretary for the War Personnel Board of the Y. M. C. A. War Work Council, declares that there is a pressing need for home service, and that this affords a splendid opportunity to the man of middle age who is not able to go abroad under the Red Triangle.

"The Y. M. C. A. needs men for overseas service, of course, but the home camps must not be forgotten," explained Dr. Alexander. "From now on until the first of the year the Southeast must recruit 1,000 men for the home camps. This means that each state will be called upon to furnish 25 men per month per state to serve the soldiers in camps such as Gordon, Jackson, Wheeler and the others. The constant growth of the home cantonments and the growing demand for the Y. M. C. A. work makes it necessary to recruit 'Y' workers for this side."

BIG-SOULED MEN NEEDED IN Y. M. C. A.

For Overseas Work With Red Triangle Forces—500 Recruits Asked For Out Of Southeast During July

"Pass the word on, and pass it quickly, that 500 of the most capable, earnest and big souled Christian business men are needed immediately out of the Southeastern Department for overseas work with the Red Triangle Forces," according to Dr. W. W. Alexander, director of the War Personnel Bureau, Army and Navy Y. M. C. A., for the Southeastern Department. The quota of 500 for the department for the past month was exceeded by 128 enlistments.

The call now comes for executives, of much business experience and specialists in all lines. No man in America is too big for the smallest Y. M. C. A. job "Over There." Today the leading men of the nation are volunteering for the work: Bank presidents, college presidents, office holders, political leaders, religious leaders and hundreds of corporation heads are giving all time to the work with America's Sons in France.

State recruiting committees are operating in the seven Southeastern states. Information as to the opportunities and the work can be secured through the state recruiting secretaries, as follows:

Chas. M. Norfleet, Y. M. C. A., Winston-Salem, N. C.
Heath Bartow, Y. M. C. A., Columbia, S. C.
W. E. Hearon, Y. M. C. A., Atlanta, Ga.
O. E. Maple, Y. M. C. A., Jacksonville, Fla.
Truman L. McGill, Y. M. C. A., Birmingham, Ala.
Dr. J. Watt Raine, Edwards Hotel, Jackson, Miss.
F. M. Massey, Y. M. C. A., Nashville, Tenn.

CROIX DE GUERRE GIVEN TO Y. M. C. A. WORKER

Taking his Croix de Guerre from his own breast, a French army captain, by orders of his general, pinned it on the coat of Edwin Ely, of No. 73 West Eighty-eighth street, New York, according to a cablegram just received from overseas. Mr. Ely is a Y. M. C. A. secretary of a Foyer du Soldat.

Ely was later invited to dinner by the Commanding General. When he entered all the officers stood at salute until he was seated at the side of the General. The General made an address thanking Ely and the Y. M. C. A. for their work in France and expressed regret that he was not able to confer an official decoration.

What the Kaiser Forgot.

It would take columns to tell what the Kaiser remembered in getting ready for this war—all the items of military equipment, store-rooms of information collected by his spies, order forms in blank for the destruction of Belgian cities, etc.—but there was one thing the Kaiser forgot. He thought it was perfectly safe to risk the coming of the United States into the war because he believed we could not raise an effective army in time.

He knew we had the men and that we could make the munitions, but he knew further that men and munitions without competent trained officers are not an army, but a mob, and the Kaiser was sure we did not have the officers and could not get them.

What the Kaiser forgot was the American college boy. Probably he did not know much about him. He had seen the American post-graduate in his German universities, the bookworm, the scientist, the artist, the writer, the jurist, the scholar-type, but the American undergraduate that goes to football matches, baseball games, athletic events of all kinds who lives largely in the outdoors and yet keeps up his studies—this type the Kaiser knew nothing about.—Rutland Herald.

The "Boss" knows that the man who is putting money in the bank is not wasting time spending it. He must be on the job, he knows the value of his job and his time—he doesn't lose either. He knows time is money—he wants money. When he gets it he puts it in the bank. It is safe there. It helps to have a bank book. Have one.
