

## TAX COMMISSION WINS.

## Berry and Moise Defend Act of Assessing Body.

By the narrow margin of five votes, the house of representatives Thursday retained the present tax commission, by rejecting the ways and means committee bill providing for its substitution with a board of three tax assessors, to be elected by the general assembly. Ninety-seven out of the 124 members voted.

The stamp of approval given the present personnel of the commission was in reality a personal victory for its chairman, A. W. Jones, for it was at him that the fight primarily was aimed. The proponents of the bill unhesitatingly stated that they were endeavoring to abolish the present personnel by legislative enactment.

The fight was the revival of opposition to the state tax commission which has appeared on the floor of the house for the past three years, but has never got beyond the senate. Last year a measure abolishing the commission was adopted by the lower body, but was rejected by the senate.

## Anti-Smoking Bill Subject of Joke.

The following appeared on the editorial page of the New York Telegraph of Sunday, January 25:

"Some South Carolina legislator from the sticks has introduced a bill in the general assembly of that State forbidding smoking in the dining rooms of hotels and in restaurants, after meals! It is probable he lives on a farm, and more than likely he boards in a private family while at Columbia.

This is the usual type. Of course there are public dining rooms in South Carolina where smoking is not allowed at present, just as there are such dining rooms in New York and all other cities. And to these the non-smoker can resort if he so elect; he is sure not to be annoyed by either the presence of the smoker or the aroma of the 'smoke.' But this doesn't agree with the notions of a chronic busy-body. He not only insists upon the right to regulate his own habits, but he has a call to ride herd on the habits of other people.

"However, it doesn't bother us much. We seldom go to South Carolina. If we did we might ask our own legislature to make reprisal by forbidding any visitor to this island to eat pie with a knife."

The bill referred to was introduced by Senator Padgett, of Colleton.

## CONFESSES TO DOUBLE MURDER.

## Two Killed in Fight at Country Dance in Georgia.

Eastman, Ga., Feb. 1.—Joe Roland confessed today to the killing of James and Charles Cannon at a country dance at the home of M. L. Bailey, near Gresham last night, according to Sheriff C. N. Mullins.

Reports having been received by the sheriff this afternoon that feeling against the Rolands might lead to an attack upon the Dodge county jail tonight to lynch Joe Roland and his son, Charles, both of whom are charged with murder, caused the removal of both prisoners to another county for safekeeping. Sheriff Mullins would not state where the prisoners have been taken.

According to the sheriff the elder Roland claimed in his confession that the Cannon brothers, members of a prominent Dodge county family cursed the wife of the younger Roland. All went into the front yard, he said, to settle the matter. He says the Cannon boys attacked his son and he went to the aid of the latter and received a knife wound in his neck, whereupon, according to the sheriff, Roland said he drew a .38 calibre pistol and shot and killed both men.

The sheriff said that he had information that members of the party had been drinking.

Charles Cannon, was a street car conductor and the sheriff said that he returned home last night to spend the week end with his wife, but instead of going home, went to the dance.

## BERGER SLATED FOR PEN.

## Will Make Effort to Have Him Serve

Ten Year Term. Chicago, Feb. 5.—District Attorney Charles F. Clyne brought suit in the Circuit Court of Appeals today to have Victor Berger, convicted Socialist Congressman, sent to Leavenworth penitentiary to serve out his ten-year sentence.

In his brief Mr. Clyne declares that Berger tried to perpetrate a fraud on the court and he should be sent. Berger tried to perpetrate a fraud charge is based on new evidence that, while out on bail under promise to refrain from all such activity, Berger took part in a campaign to induce Socialists to oppose conscription and the war.

Berger's appeal from the sentence passed by Judge K. M. Landis is now pending in the Circuit Court of Appeals.

## AS TO BOLL WEEVIL MACHINES.

## Nothing Practical Has Been Found, Says Prof. A. F. Conradi.

Clemson College, Jan. 29.—There is a considerable demand for testing different methods and machines for catching and controlling the boll weevil. While a great number of solutions and mechanical devices have been tested during the last twenty years, so far none have been found practical, says Prof. A. F. Conradi, a recognized authority on the boll weevil. The fact, however, that these have been failures does not guarantee that some practical contrivance may not be devised.

Frequently farmers purchase too quickly the devices that are offered for sale. Those who have had the longest experience with these inventions have learned to proceed cautiously.

While the division of Entomology of Clemson College is glad at all times to cooperate with any well meaning person or firm in trying a new method or machine, it distinctly withholds any opinions until the tests have been completed and the results clearly shown. If a method has merit it will be supported, and if it has not merit it will be so reported. Tests made this spring can not be reported on until we know the product in pounds of seed cotton during the fall. A machine may do many interesting things, but if it fails to proportionately increase the yield, then it has little or no value.

A Bamberg citizen shows you what to do. Mrs. J. A. Miller, Main St., Bamberg, says: "I know from experience that Doan's Kidney Pills are a right good remedy and I am only too glad to endorse them. One of the first symptoms of kidney trouble in my case was sharp, digging pains in the small of my back. Every day the trouble became more and more aggravating until I could hardly stand it. I felt miserable. I could hardly get around to attend to my housework, as I always felt weak and irritable. My kidneys needed attention in the worst way and when Doan's Kidney Pills were recommended to me I used them. I only took about three boxes of Doan's Kidney Pills, but they got down to the seat of the trouble and put my kidneys in good condition again."

## HANDS, ARMS, LIMBS ASLEEP

And Was Run-Down, Weak and Nervous, Says Florida Lady. Five Bottles of Cardui Made Her Well.

Kathleen, Fla.—Mrs. Dallas Prine, of this place, says: "After the birth of my last child...I got very much run-down and weakened, so much that I could hardly do anything at all. I was so awfully nervous that I could scarcely endure the least noise. My condition was getting worse all the time..."

I knew I must have some relief or I would soon be in the bed and in a serious condition for I felt so badly and was so nervous and weak I could hardly live. My husband asked Dr. about my taking Cardui. He said, 'It's a good medicine, and good for that trouble', so he got me 5 bottles...After about the second bottle I felt greatly improved...before taking it my limbs and hands and arms would go to sleep. After taking it, however, this poor circulation disappeared. My strength came back to me and I was soon on the road to health. After the use of about 5 bottles, I could do all my house-work and attend to my six children besides."

You can feel safe in giving Cardui a thorough trial for your troubles. It contains no harmful or habit-forming drugs, but is composed of mild, vegetable, medicinal ingredients with no bad after-effects. Thousands of women have voluntarily written, telling of the good Cardui has done them. It should help you, too. Try it. E 74

## Why More Small Cars Come Equipped With Goodyear Tires

Last year, more small cars, using 30 x 3-, 30 x 3 1/2-, or 31 x 4-inch tires, were factory-equipped with Goodyear Tires than with any other kind.

This is plainly a result of the high relative value produced in these small-car tires by Goodyear's enormous resources and scrupulous care.

They represent the same intense endeavor to supply utmost satisfaction in tires that has laid the basis for the marked preference which exists everywhere for Goodyear Tires in the larger sizes.

This real Goodyear value in tires is available for your Ford, Chevrolet, Dort, Maxwell, or other small car, at our nearest Service Station. Go there for these tires and Goodyear Heavy Tourist Tubes.
