

## Denmark Doings.

Denmark, June 12.—One of the most pleasant social events of the week was the "Rose Shower" given by Miss Clara Wyman, in honor of Miss Louise Zeigler, a June bride-elect. The rooms of the lower floor were thrown en suite and were beautifully and artistically decorated in rose and white. When the guests had assembled, several musical selections, appropriate to the occasion, were rendered by Mrs. J. K. Mayfield and Miss Lillian Goolsby. Among the selections were "Always," "Japanese Love Song," "When Love Is Kind," and "Mighty Like a Rose." Immediately following there was an interesting contest in which Miss Annie Mae Griffith was the successful contestant, winning a lovely box of stationery which she gracefully presented to the honor guest, Miss Zeigler. The main feature of the occasion, however, was the improvised rose garden into which the guests were invited to watch the bride-elect, trowel in hand, dig in the soil (sawdust) for the gifts presented by her friends. The digging proved very fruitful, for she unearthed a bountiful, miscellaneous assortment of things which always delight the heart of a bride to be. While the guests were admiring and discussing these, delightful refreshments of ice cream and cake were served, in which the color scheme was still carried out.

Miss Doris Goolsby, who teaches in Hartsville, has returned home for the summer months.

Miss Kathleen Fogle has returned home after spending the winter in Gaffney, where she is employed in the public schools.

Mrs. R. A. Goolsby and Mrs. Winchester Graham delightfully entertained the seniors of the high school and their friends on Tuesday evening at the home of the latter. Quite a number of guests was present and the evening was spent in games, progressive conversation, etc. From a bower on the spacious veranda delicious punch was served throughout the evening. Later elegant refreshments were served.

Misses Vera Wiggins and Frances Guess have gone on an extended trip through the west, touring California and all intermediate places of inter-

## Meet in Allendale.

Olar, June 13.—The Eighth District Medical society will meet in Allendale on Wednesday, June 23. At the last meeting of the State Medical association in Greenville the districts were rearranged, and this district is now composed of the following counties: Aiken, Bamberg, Barnwell, Allendale and Hampton. A large percent of the physicians of this district will attend and several visiting doctors, among whom will be Dr. W. P. Timmerman, president of the South Carolina Medical association.

A very interesting scientific programme is being arranged and doubtless nothing will be left undone toward making this a very enjoyable occasion for the doctors who attend.

## Ehrhardt Downed by Brunson.

Ehrhardt, June 8.—The Brunson base ball team shut out Ehrhardt yesterday at Brunson by the score of 4 to 0. On account of the absence of two of its players Ehrhardt was forced to use two substitutes in a shifted line-up. This caused the rumor in Brunson that the visitors were coming with most of "Cincinnati's stars besides Babe Ruth," so Brunson was ready. Purcell, the leader of Ehrhardt's staff, pitched a tight game, striking out thirteen men and allowing but three hits, while Brunson's hurler struck out four and allowed the same number of hits.

## Nujol

REG. U.S. PAT. OFF.  
For Constipation

CONSTIPATION not only causes the generation of poisons, which are carried through the system by the blood and attack it from within, but also by thus lowering the general stamina makes the weakened system an easier prey to harmful germs from without.

Nujol works on an entirely new principle. Without forcing or irritating, it softens the food waste. This enables the many tiny muscles in the intestines, contracting and expanding in their normal way, to squeeze the food waste along and out of the system.

It is absolutely harmless and pleasant to take. Try it.

# DON'T BE AFRAID OF THE GRADE! IF YOU'VE GOT "GREEN FLAG"

## "Take the Hills" Without "Heating Up"

With "GREEN FLAG" Motor Oil in the crank case you don't have to wear a worried look when you strike a steep grade. The "GREEN FLAG" keeps the engine cool because it is a TRUE LUBRICANT—not "just a motor oil." It does not break down under the terrific heat that would be generated by the use of ordinary oils, which are temporary in service, and jeopardize the life of your motor. Green Flag Motor Oil is the supreme test of efficiency in Lubricants. It carries the full integrity of its value to the last drop.

It increases the power and improves the performance of your motor. "Picks up" quicker, runs smoother and quieter, and MANY MORE MILES to the gallon. Thus you have QUALITY, PROTECTION and ECONOMY in "GREEN FLAG" Motor Oil.

To understand its superior qualities and its economy, you must give "GREEN FLAG" a try-out. It costs no more to do this than to buy any other recognized Motor Oil.

Do this! Go to the "GREEN FLAG" dealer and have your crank case drained, and re-filled with "GREEN FLAG".

Then drive over some familiar, oft-traveled route, and make note of the thrilling difference in the operation and power of your car. You will be amazed at the improvement, and mighty glad there is such a good oil made for you to use.
