

UNLAWFUL FOR CHILDREN.

Boys and Girls Under Twelve May Not Operate Automobiles.

It is now unlawful for children under 12 years of age to operate on the public roads of South Carolina motor driven vehicles. At the 1920 session of the general assembly an act to this effect, the provisions of which follow, was passed and approved by the governor on March 10:

"That it shall be unlawful for any minor under the age of 12 years to drive or operate any automobile or other motor vehicle upon the public highways of the state, whether the same be with the consent of their parents or guardians or not.

"That any person or persons allowing or consenting to a minor under 12 years driving or operating his or their car against the provisions of section 1 of this act shall be guilty of a misdemeanor and, upon conviction thereof, shall be fined in a sum not exceeding \$100 or be imprisoned upon the county chaingang for a period not exceeding 30 days.

"That any minor under the age of 12 years who violates the provisions of section 2 of this act shall be guilty of a misdemeanor and, upon conviction thereof shall be liable to the same penalty as provided in section 3 of this act."

DIES FROM BROKEN NECK.

Electric Shock Causes Fall From Ladder in Greenville.

Greenville, Aug. 25.—A fall resulting from an electric shock caused the instant death of Claude W. Tiller, aged 30, at Poinsett mill early this morning.

A coroner's jury in the afternoon returned a verdict to the effect that the electrician came to his death by accident.

Mr. Tiller was engaged in drilling a hole near the ceiling in the spinning room with an electric breast drill while standing on a step ladder. In taking hold of a pipe with one hand and the drill with the other hand a current passed through his body. It was of such strength that he was unable to free his hold from the drill and pipe. He called for help and a coworker in the plant ran to his assistance and succeeded in breaking the wire connection. When the current was broken and the electrician had been freed from his perilous position, he was unable to gain his equilibrium on the ladder, and he plunged headforemost to the floor, his neck being broken in the fall. Life was extinct when aid reached him. Dr. C. P. Fair said that a broken neck was the cause of death.

WOMEN APPOINTED.

First Effects of Suffrage Amendment Felt in State.

First effects of the promulgation of the 19th amendment were felt in South Carolina yesterday when Governor Cooper commissioned as notaries public five women of South Carolina.

It is true that the bells have rung and the women held hurrah meetings and jubilation gatherings, but it was not until Governor Cooper issued these commissions that the effects of the amendment were actually felt in the state.

The commissions were issued to Nell Pressly Detreville, Ruth Simmons Sawyer and Minna Layton Holman, all of Columbia; Margie Viola Thomason, of Newberry, and Ola C. Crane, of Spartanburg.

Numerous applications for commissions as notaries public have been made in the days before the meeting of the Tennessee legislature, but as the women were not electors they could not qualify.

Miss Detreville was the first woman to make application for a commission as notary public after Tennessee had taken action on the amendment, and very properly her name is in the first of those to whom commissions were issued.—The State.

Quite Clear.

Tommie lost his temper while playing with neighbor Johnnie and told him plainly that he considered him a person totally devoid of intelligence and predestined to a hereafter quite lacking in attractiveness, or words to that effect. This was too bad, as Tommie's mother happened to be in hearing, and subsequent proceedings were too painful to relate. Next day the boys were again playing together, and again Tommie lost his temper.

"You certainly are—" he began wrathfully, but memory lent caution to his tongue and he concluded gracefully, "just the same kind of a fellow you were yesterday."

VIRGINIAN KILLED.

Piece of Wood Falls From Tank in Darlington.

Darlington, Aug. 28.—George H. Brown, of Richmond, Va., was instantly killed in this city this morning when a piece of lumber fell from a height of 60 feet, hitting him on the head. The unfortunate man was engaged with a crew of steel workers in the erection of a tank at the new factory of the Imperial Tobacco company. He was on the ground at the foot of the high tank when the timber fell from the scaffolding at the top. Several other workmen were with him and were slightly injured. He was about 50 years of age. His body has been prepared for burial and will be taken to his home city.

No Worms in a Healthy Child

All children troubled with worms have an unhealthy color, which indicates poor blood, and as a rule there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or dispel the worms, and the child will be in perfect health. Pleasant to take. 60c per bottle.

TOLD IN BAMBERG

A Resident Known to All Our Readers Relates an Experience.

Readers of the Herald have been told again and again of the merits of that reliable, time-proved kidney remedy—Doan's Kidney Pills. The experiences told are not those of unknown persons, living far away. The cases are Bamberg cases, told by Bamberg people.

J. H. Murphy, farmer, Elm St., Bamberg, says: "I had a lameness in my back and my kidneys were disordered, causing me much annoyance. I used Doan's Kidney Pills and they completely cured me of this trouble."

A FAMILY MEDICINE

In Her Mother's Home, Says This Georgia Lady, Regarding Black-Draught. Relief From Headache, Malaria, Chills, Etc.

Ringgold, Ga.—Mrs. Chas. Gaston, of this place, writes: "I am a user of Theodor's Black-Draught; in fact, it was one of our family medicines. Also in my mother's home, when I was a child. When any of us children complained of headache, usually caused by constipation, she gave us a dose of Black-Draught, which would rectify the trouble. Often in the Spring, we would have malaria and chills, or troubles of this kind, we would take Black-Draught pretty regular until the liver acted well, and we would soon be up and around again. We would not be without it, for it certainly has saved us lots of doctor bills. Just a dose of Black-Draught when not so well saves a lot of days in bed."

Theodor's Black-Draught has been in use for many years in the treatment of stomach, liver and bowel troubles, and the popularity which it now enjoys is proof of its merit.

If your liver is not doing its duty, you will suffer from such disagreeable symptoms as headache, biliousness, constipation, indigestion, etc., and unless something is done, serious trouble may result.

Theodor's Black-Draught has been found a valuable remedy for these troubles. It is purely vegetable, and acts in a prompt and natural way, regulating the liver to its proper functions and cleansing the bowels of impurities. Try it. Insist on Theodor's, the original and genuine. E 79

You Do More Work.

You are more ambitious and you get more enjoyment out of everything when your blood is in good condition. Impurities in the blood have a very depressing effect on the system, causing weakness, laziness, nervousness and sickness.

GROVE'S TASTELESS CHILL TONIC restores Energy and Vitality by Purifying and Enriching the Blood. When you feel its strengthening, invigorating effect, see how it brings color to the cheeks and how it improves the appetite, you will then appreciate its true tonic value.

GROVE'S TASTELESS CHILL TONIC is not a patent medicine, it is simply IRON and QUININE suspended in Syrup. So pleasant even children like it. The blood needs Quinine to Purify it and IRON to Enrich it. These reliable tonic properties never fail to drive out impurities in the blood.

The Strength-Creating Power of GROVE'S TASTELESS CHILL TONIC has made it the favorite tonic in thousands of homes. More than thirty-five years ago, folks would ride a long distance to get GROVE'S TASTELESS CHILL TONIC when a member of their family had Malaria or needed a body-building, strength-giving tonic. The formula is just the same today, and you can get it from any drug store. 60c per bottle.

Cotton Fertilizers Bagging and Ties

COTTON

We solicit your shipments of cotton on the basis of our many years of successful handling of cottons of all kinds for our many customers, and the uniformly satisfactory results which we have been able to obtain for them.

We have every facility of a modern and progressive cotton house and are prepared to handle your cotton on open consignment, or sell it to arrive, and represent you in its delivery, furnishing the necessary financial assistance in the transactions.

Expert sworn classifiers and weighers are employed at our warehouses and in our sample rooms, thus assuring you absolute protection in the out-turn of your cotton.

Our unchanging policy is to extend all reasonable accommodation to our customers, safeguarding their interest in every way and exerting every effort to secure for them financial success in such business as they entrust to us.

BAGGING, TIES AND SHEETS

We have standard bagging and ties and burlap cotton picking sheets always in stock and ready for prompt shipment at close prices. Inquiries invited.

FERTILIZERS

We are selling agents for OBER'S high grade fertilizers. All we ask is that a fair test of them be made and let the results speak for themselves. Every dollar asked for these fertilizers represents value in the goods and not allowances as agents' commissions.

Farmers looking for results and values use OBER'S GUANO.
