WHY THAT LAME BACK?

That morning lameness — those sharp pains when bending or lifting, make work a burden and rest impossible. Don't be handicapped by a bad back—look to your kidneys. You will make no mistake by following this Bamberg resident's example.

L. B. Fowler, contractor and builder, Church St., says: "My kidneys were weak and the secretions unnatural and highly colored. My back was as stiff as leather and so lame I couldn't bend over. Doan's Kidney Pills rid me of all this trouble and fixed me up in A-1 shape again." 60c. at all dealers. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

And Was Run-Down, Weak and Nervous, Says Florida Lady.
Five Bottles of Cardui Made Her Well.

Kathleen, Fla.—Mrs. Dallas Prine, of this place, says: "After the birth of my last child...I got very much run-down and weakened, so much that I could hardly do anything at all. I was so awfully nervous that I could scarcely endure the least noise. My condition was getting worse all the time..."

I knew I must have some relief or I would soon be in the bed and in a serious condition for I felt so badly and was so nervous and weak I could hardly live. My husband asked Dr. ——about my taking Cardui. He said, 'It's a good medicine, and good for that trouble', so he got me 5 bottles...After about the second bottle I felt greatly improved...before taking it my limbs and hands and arms would go to sleep. After taking it, however, this poor circulation disappeared. My strength came back to me and I was soon on the road to health. After the use of about 5 bottles, I could do all my house-work and attend to my six children besides."

You can feel safe in giving Cardui a thorough trial for your troubles. It contains no harmful or habit-forming drugs, but is composed of mild, vegetable, medicinal ingredients with no bad after-effects. Thousands of women have voluntarily written, telling of the good Cardui has done them. It should help you, too. Try it. E 74
