### REQUIREMENTS.

For the Exhibition of Swine at Fairs and Live Stock Shows.

Whereas, the disease known as hog cholera, which is a contagious disease, and so recognized under the laws of this state, prevails to greater or less extent among swine in this state; and

Whereas, it has become necessary to adopt measures for the prevention of the spread of this disease; now, therefore, the board of trustees of Clemson college, acting under and by virtue of the authority conferred by the acts of the general assembly, do hereby promulgate and adopt the following rules and regulations:

"No swine shall be shipped or moved in any manner, into or within the state of South Carolina for exhibition at any fair or live stock show, unless they are free from symptoms of any contagious, infectious or communicable disease, and must have been protected against cholera by the simultaneous inoculation method not less than three weeks prior to shipment or movement, or by the serum alone method not more than two weeks prior to shipment or movement.

"Shippers will be required to file with the Clemson college live stock sanitary office, Columbia, S. C., an affidavit giving the number of hogs, breed, name, registration number, and age of each animal; also the date and by whom the hogs were treated with the 'simultaneous inoculation' or 'serum alone' method, not less than one week prior to the shipment or movement of such hogs. The Clemson college live stock sanitary office will then issue a permit which shall accompany the hogs to destination.

"All hogs intended for exhibition must be disinfected in a two per cent. solution of cresol compound, U. S. P., or some other officially recognized standard disinfectant, at the time of shipment or movement. All crates must likewise be disinfected. Clean and disinfected cars or other vehicles only shall be used for the movement of swine.

"No person, firm or corporation shall offer for shipment, nor shall any transportation company accept for shipment, swine intended for exhibition at any fair or live stock show within the state of South Carolina except in accordance with the preceding requirements."

Effective August 1, 1920.—L. C. Merritt, assistant state veterinarian, Bamberg, S. C.

### MRS. G. E. HUTTO.

After a lingering illness of many weeks, Mrs. G. E. Hutto entered into eternal rest on September 28th at her home in Bamberg, S. C.

Her death occurred on her 66th birthday. All that loving hearts, willing hands and skilled physicians could do, was done, but she grew steadily weaker, passing peacefully into the great beyond.

Before her marriage Mrs. Hutto was Miss Nancy Folk. Her husband and two grown sons were claimed by death several years ago. She indeed had known much sorrow, but gave liberally of love and comfort to others. Her life was enriched by many charitable deeds—her love for children finding expression in the care of a number of motherless ones, some of whom, now grown to manhood and womanhood, sorrowfully gathered to pay a last tribute to her memory. Of these, Mr. Victor Behre, of Raleigh, N. C., who had known her motherly care, Mrs. John Schwarting, an adopted daughter, Misses Edith and Hughie Hutto, who were as her own children, will sorely miss her wise counsel, gentle companionship and unflinching love. An only son, Mr. John Henry Hutto, upon whom she leaned in her declining years, a sister, Mrs. Rosa Jones, of Walterboro, her two brothers, Messrs. Tom Folk, of Estill, and John Folk, of Branchville, mourn her loss. Among the bereaved are many near relatives and a number of grand children. The family has the sympathy of this community in which she lived her entire life.

Funeral services were conducted by Rev. Geo. P. White, of the Bamberg Baptist church, assisted by Rev. Owings, of Ehrhardt, at the cemetery of the old Lutheran church near Ehrhardt. Beautiful floral offerings and many tokens of sympathy spoke eloquently of the esteem in which she was held.

She has only passed from our sad hearts To her Savior's loving breast, From a home below to Heaven above, From toils, to peace and rest. Oct. 11, 1920.

### CITATION NOTICE.
