

Greetings of the Season

"HAPPY"

With gratitude in our hearts for the blessings that the old year has brought; with hope in the promise the New Year brings, we cannot but face it with a feeling of joy and gladness befitting the occasion.

"NEW YEAR"

Resolved—as we stand upon the threshold of a New Year, to strive earnestly and in every way that lies within our power for bigger, better work and service, and with new enthusiasm and unbounded faith in the future to do our full share in making this year of 1921 the biggest and best in our history.

With the coming of the New Year our thoughts turn to the friends that the old year has revealed to us and we are taking this opportunity to thank you for your confidence and patronage during the Old Year, as we wish for you and yours that full measure of prosperity and happiness which we have every reason to expect will be yours during the New Season that is opening.

Although the year that is now drawing to a close has been full of disappointments for some of our friends and customers, we have never for a moment lost confidence in the resources and the future of our county, in the integrity of our citizenship and the ultimate success and prosperity of our community.

Now, as we face the New Year we have every reason for optimism, for the prospect is bright with promise of prosperous and happy days to come.

Filled with the true "Spirit of Service" this institution pledges itself during the year 1921 to serve a little better, to make friendship a little stronger, and to prove itself a helpful, constructive factor in the upbuilding of this community and the happiness and success of its people. To this end we ask your earnest cooperation, as we wish for you and yours a full measure of happiness for the Christmas season and during the coming year of 1921.

MAY THE UNFILLED HOPES OF THE OLD YEAR FIND REALIZATION IN THE NEW, AND ALL THE GOOD THINGS OF THE NEW SEASON BE YOURS.

BRADLEY TO SUCCEED HEYWARD

Former Governor Gives Up Office of Internal Revenue Collector.

Columbia, Dec. 11.—W. B. Bradley, who has been occupying the post of Chief Deputy Collector in the office of internal revenue here was today appointed collector of Internal Revenue for South Carolina to succeed Governor Duncan Clinch Heyward who tendered his resignation this week.

Mr. Heyward was advised from Washington this morning that his resignation had been accepted. He had asked to be relieved of the duties of the office at the earliest possible date, and Mr. Bradley will take charge of the office the first of January next.

Governor Heyward has resigned to give his time exclusively to bond and stock business, which was organized several months ago. He was governor of the state two terms, 1904 to 1907 being re-elected without opposition. He was an exceedingly popular executive and a most efficient collector of the Internal Revenue Department. He is also conducting a large experimental station on his rice lands in the lower part of the state.

Ponzi Beins Sentence.

Plymouth, Mass. Dec. 11.—Charles Ponzi today entered upon service of his sentence of five years at the Plymouth county jail that was imposed by the federal court as punishment for the fraud by which he obtained millions of dollars from thousands of persons.

Accompanied by his wife and federal officers he was brought here from the East Cambridge jail where he has been confined since his arrest in August.

Ponzi today put on prison garb for the third time in his career of attempts to make easy money, having previously served time at Montreal and Atlanta. Then he rejoined his youthful wife for a temporary farewell. She intends to leave the mansion home which he bought in Lexington to come here and work in order to be near him.

Relief.

Ye thirsty, rejoice.
Now that autumn is here;
Though empty the flask,
There's a nip in the air.

PIRATES STEAL WHISKEY.

Savannah Man Can't Find Boat, Money or "Trust Crew."

Savannah, Ga., Dec. 11.—The alleged theft of a whole ship load of contraband whiskey "somewhere at sea" with the vessel and its equipment, is the sensation of the town—so far as the part of the town interested especially in the liquor business in its various ramifications is concerned. The well-defined report circulating is that a certain liquor dealer of this city, who as operated on a large scale more than once in the past, recently sent a high powered boat in charge of a "trust" crew to Cuba for a load of the "precious fluid to be used for the pre-holiday trade—as he had sent the same high-powered boat in charge of the same trusted crew on various and sundry other previous times to the same island for the same sort of cargo and for weeks past its return was confidently expected—and the promoter is said to be out a clean \$55,000 in cash besides the boat. Furthermore, it is said that he is powerless to recover money or boat or liquor. If the thieves, be there such, get away with the highseas robbery—the loss is patent; if the craft fell or falls into the hands of the government officials, as effectual a goodbye may be said to the capital invested. Supervising prohibition officer D. J. Gant arrived last night from Jacksonville and when asked about the story declared he did not know whether it was true or not. He came from Jacksonville and said that conditions in Savannah are much improved as to law observance attributing the improvement to the "right kind of a federal judge and district attorney."
