Well, Hardly.

The comedian's invalid wife eagerly awaited her husband's return from the first night of a new piece. As he came in she inquired impatiently:

"Were you well applauded, John?"

"Appraised!" replied he. "They made as much noise as a caterpillar with rubber heels crawling over a carpet."

Fourteen to the Pound.

"There's the lightweight champion of our village," remarked the talkative native to a newcomer.

"Pugilist, eh?"

"No—the village butcher."—The American Legion Weekly.

Weak Back

Mrs. Mildred Pipkin, of R. F. D. 8, Columbia, Tenn., says: "My experience with Cardui has covered a number of years. Nineteen years ago... I got down with weak back. I was run-down and so weak and nervous I had to stay in bed. I read of

CARDUI

The Woman's Tonic

and sent for it. I took only one bottle at that time, and it helped me; seemed to strengthen and build me right up. So that is how I first knew of Cardui. After that, . . . when I began to get weak and 'no account', I sent right for Cardui, and it never failed to help me."

If you are weak and suffering from womanly ailments, Cardui may be just what you need. Take Cardui. It has helped thousands, and ought to help you.
